

Unified Exchange Compensation Fund

Report of the Securities Compensation Fund Committee

The members of the Securities Compensation Fund Committee (the Committee) present this report together with the unaudited condensed financial statements for the nine months ended 31 December 2023.

Establishment of the Unified Exchange Compensation Fund

Part X of the repealed Securities Ordinance (Chapter 333) established the Unified Exchange Compensation Fund (the Fund). However, when the Securities and Futures Ordinance (SFO) and its subsidiary legislation came into effect from 1 April 2003, a new single Investor Compensation Fund (ICF) was formed to ultimately replace the Fund and the Commodity Exchange Compensation Fund. Up to 31 December 2023, the Fund transferred \$994,718,000 to the ICF. After the settlement of all claims against the Fund and its other liabilities, the Securities and Futures Commission will eventually transfer the remaining balance of the Fund to the ICF.

Part X of the repealed Securities Ordinance remains effective in respect of the operation of the Fund to the extent described in Section 74 of Schedule 10 of the SFO.

The financial performance of the Fund for the period ended 31 December 2023 and the financial position of the Fund as at that date are set out in the unaudited condensed financial statements on pages 55 to 60.

Unified Exchange Compensation Fund

Notes to the condensed financial statements

For the nine months ended 31 December 2023 (Expressed in Hong Kong dollars)

1. Basis of preparation

We have prepared the interim financial information in accordance with the Hong Kong Accounting Standard 34, *Interim Financial Reporting* issued by the Hong Kong Institute of Certified Public Accountants. As the Unified Exchange Compensation Fund (the Fund) will eventually cease operation as a result of the Securities and Futures Ordinance which came into effect from 1 April 2003, we have prepared the interim financial information on a non-going concern basis. We expect that the operations of the Fund will be maintained until all claims and recoveries from liquidators in relation to the broker defaults that happened on or before 31 March 2003 have been fully settled.

The interim financial information contains condensed financial statements and selected explanatory notes. The notes include an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Fund since the annual financial statements for the year ended 31 March 2023. The interim financial information does not include all of the information required for a full set of financial statements prepared in accordance with the Hong Kong Financial Reporting Standards.

The interim financial information is unaudited and the financial information relating to the financial year ended 31 March 2023 included in this report as comparative information does not constitute the Fund's statutory annual financial statements for that financial year but is derived from those financial statements.

We have applied the same accounting policies adopted in the financial statements for the year ended 31 March 2023 to the interim financial information.

There were no significant changes in the operations of the Fund for the nine months ended 31 December 2023.

2. Equity securities received under subrogation

At the end of each reporting period, the fair value of the equity securities received under subrogation is remeasured, with any resultant gain or loss being recognised in "Recoveries". Dividend income, if any, is also recognised in "Recoveries".

As at 31 December 2023, the equity securities received under subrogation amounted to \$16 (as at 31 March 2023: \$30). The balances as at 31 December 2023 and 31 March 2023 are too small to present on the condensed statement of financial position which is expressed in thousands of dollars.

According to Section 104 of the repealed Securities Ordinance, The Stock Exchange of Hong Kong Limited (SEHK) contributes to the Securities and Futures Commission (SFC) in respect of each trading right at the rate of \$50,000. In the absence of claims or other provisions as set out in Section 106 of the repealed Securities Ordinance, the SFC must refund to SEHK the deposit within six months after the trading right was relinquished.
