 - (a) The first year license and maintenance support services will be paid with at least 30 days payment term upon the SFC and the successful Tenderer entering into a binding contract.
 - (b) While the renewal of license, support and maintenance for option 2 and 3 are intended for two years or three years, respectively, the tenderer's performance will be evaluated at the end of the each year of the renewal terms. Assuming that the tenderer's performance is satisfactory, the license and maintenance support services renewal may be extended for another year at the SFC's discretion, and the renewal could be extended up to two times (i.e. 3 years altogether), depending on the renewal options chosen.
 - (c) Upon SFC's confirmation of renewal, the second and third year license and maintenance support services should be invoiced to the SFC at the beginning of the second and third year of subscription terms with at least 30 days payment term

16. Termination of service

- 16.1 The successful tenderer shall use its best endeavours to perform the Contract with such due care and skill as is expected of a provider of similar services and products and of a comparable standing in the industry but, if for whatever reason, the SFC in its opinion, concludes that the successful tenderer is in breach of the Contract or does not provide the level of service required by the SFC, the SFC shall have the right to terminate the contract by notice in writing to the successful tenderer.

17. Sub-contracting of services

- 17.1 Due to the nature and sensitivity of this Tender, sub-contracting of services after awarding of the contract is not permitted.
- 17.2 If a Tenderer wishes to sub-contract any part (or all) of its obligations under its proposal, this must be clearly specified in the proposal. The tender must also clearly specify the person(s) to whom the Tenderer wishes to sub-contract, and the precise services or obligations intended by the Tenderer to be subject to such sub-contract. Sub-contracting of services will not normally be permitted. SFC reserves the right to either accept or reject the subcontracting of services.

18. Conflicts of interest

- 18.1 A tenderer must have no or any potential conflicts of interest with its duties to the SFC under the proposal. If a tenderer has, or has potential, conflicts of interest with its duties to the SFC under the proposal, the tenderer should clearly state this in the proposal. This requirement extends to the tenderer's associates, associated persons, group companies and each member of the tenderer's professional staff (and their associates and associated persons).

19. The incorporation of proposals into Contract signed with the SFC

- 19.1 Any proposals and responses submitted by the successful tenderer to the SFC's inquiries may form part of the Contract made between the SFC and such tenderer.
- 19.2 Every representation by the successful tenderer (whether of fact or performance, and whether set out in the proposal or otherwise) will be incorporated as warranties in any Contract between the SFC and such tenderer. The SFC reserves the right to seek an indemnity if tenderers fail to keep these warranties. Therefore, any statement of fact or performance that the tenderer does not wish to be treated as a warranty should be clearly indicated.
