Statement of Reasons
Under section 209(2) of the Securities and Futures Ordinance
(Cap. 571) (“SFO”)

1. Gary Cheng Securities Limited (“**GCS**”) and Zhongcai Securities Limited (“**Zhongcai**”) (collectively, “**Specified Corporations**”) are corporations licensed under the SFO to carry on the following regulated activities:
 - GCS – Type 1 and Type 4 regulated activities
 - Zhongcai – Type 1 regulated activity
2. It appears to the Securities and Futures Commission (“**Commission**”) that the imposition of the prohibitions and the requirements set out in the Notices of this date issued by the Commission under sections 204 and 205 of the SFO is desirable in the interest of the investing public and in the public interest.
3. The Commission has reached this view on the basis of the following matters:
 - (a) The evidence obtained by the Commission to date suggests that a group of traders (“**Traders**”) might have acted in concert in a pre-arranged manner to conduct manipulative trading and/or participated in a deceptive scheme in respect of the dealing in the shares of a company listed on the Stock Exchange of Hong Kong Limited (“**Company**”), by inflating the share price of the Company to an artificially high level followed by a massive disposal of the shares of the Company held by the Traders.
 - (b) The Commission takes the view that the Traders’ trading activities in the shares of the Company were not in line with those of genuine investors. The clients of the Specified Corporation (“**Clients**”), whose accounts are the subject of the Notices of this date issued by the Commission under sections 204 and 205 of the SFO, are amongst the Traders.
 - (c) The Commission has reasons to suspect that false trading, price rigging and/or stock market manipulation within the meaning of sections 274, 275 and/or 278 of the SFO might have taken place and/or persons might have committed market misconduct offences under sections 295, 296, 299 and/or 300 of the SFO.
 - (d) Where it appears to the Commission that a person has contravened any of the provisions of the SFO specified above, the Court of First Instance (“**CFI**”), on the application of the Commission, may make an order requiring the person to take such steps as the CFI may direct, including to take such steps to restore the parties to the transaction to the position in which they were before the transaction was entered into, or to pay damages to another person under section 213(8) of the SFO.
 - (e) The Commission believes that it is necessary to prevent the Clients and/or person(s) connected with the Clients from operating and dealing with the accounts specified in the Notices and to preserve the cash and securities in the accounts pending further investigation.

- (f) As there is a risk of dissipation, the Commission considers that it is desirable in the interest of the investing public and in the public interest to impose on the Specified Corporations the prohibitions and the requirements set out in the Notices issued by the Commission on this date.
