Statement of Reasons

Under section 209(2) of the Securities and Futures Ordinance (Cap. 571) (SFO)

1. Fulbright Securities Limited (**Fulbright**), Futu Securities International (Hong Kong) Limited (**Futu**), Grand China Securities Limited (**Grand China**), Lee Go Securities Limited (**Lee Go**), Valuable Capital Limited (**Valuable Capital**) and Zinvest Global Limited (**Zinvest**) (collectively, **Specified Corporations**) are corporations licensed under the SFO to carry on the following regulated activities:
 - Fulbright – Types 1 and 4 regulated activities
 - Futu – Types 1, 2, 3, 4, 5, 7 and 9 regulated activities
 - Grand China – Types 1, 2, 4 and 9 regulated activities
 - Lee Go – Type 1 regulated activity
 - Valuable Capital – Types 1, 2, 4, 5 and 9 regulated activities
 - Zinvest – Types 1, 2, 4 and 5 regulated activities

2. It appears to the Securities and Futures Commission (**Commission**) that the imposition of the prohibitions and the requirements set out in the Notices issued by the Commission on this date under sections 204 and 205 of the SFO is desirable in the interest of the investing public or in the public interest.

3. The Commission has reached this view based on the following matters:
 - (i) The shares of Company A was listed on the Main Board of The Stock Exchange of Hong Kong Limited in 2020.
 - (ii) During a certain period in 2023, Company A's share price increased over 200%.
 - (iii) Whilst the investigation is still ongoing, evidence obtained by the Commission to date suggests that during a certain period in 2023, a group of traders (**Traders**) might have acted in concert in a pre-arranged manner to conduct manipulative trading and/or participated in a deceptive scheme, in respect of the dealings in Company A shares, such that the share price of Company A was inflated to an artificially high level.
 - (iv) The clients of the Specified Corporations (**Clients**) whose accounts are the subject of the Notice issued by the Commission on this date under sections 204 and 205 of the SFO are amongst the Traders.
 - (v) The Commission has reason to suspect that false trading, price rigging and/or stock market manipulation within the meaning of sections 274, 275 and 278 of the SFO might have taken place and/or persons might have committed offences under sections 295, 296, 299 and/or 300 of the SFO.

- (vi) Where it appears to the Commission that a person has contravened any of the provisions of the SFO specified above, the Court of First Instance (**CFI**), on the application of the Commission, may make an order requiring the person to take such steps as the CFI may direct, including steps to restore the parties to any transaction to the position in which they were before the transaction was entered into, or to pay damages to any other person under section 213 of SFO. Further action taken by the Commission may result in the person be ordered to disgorge the profits he/she has made.
- (vii) The Commission believes that it is necessary to prevent the Clients and/or person(s) connected with the Clients from operating and dealing with the accounts specified in the Notice and to preserve the cash and securities in the accounts pending further investigation.
- (viii) As there is a potential risk of dissipation, the Commission considers that it is desirable in the interest of the investing public or in the public interest to impose on the Specified Corporations the prohibitions and the requirements as set out in the Notice issued by the Commission on this date.
