Statement of Reasons
Under section 209(2) of the Securities and Futures Ordinance (Cap. 571)
(SFO)

1. New China Asset Management (Hong Kong) Limited (**New China Asset**), Orient Securities (Hong Kong) Limited (**Orient Securities**), Goldman Sachs (Asia) L.L.C. (**Goldman Sachs**) and Guoyuan Securities Brokerage (Hong Kong) Limited (**Guoyuan Securities**) (collectively, **Specified Corporations**), are corporations licensed under the SFO to carry on the following regulated activities:

    a) New China Asset - Type 4 and 9 regulated activities
    b) Orient Securities – Type 1 and 4 regulated activities
    c) Goldman Sachs – Type 1, 4, 5, 6, and 9 regulated activities
    d) Guoyuan Securities – Type 1 and 4 regulated activities

2. It appears to the Securities and Futures Commission (**Commission**) that the imposition of the prohibitions and the requirements set out in the Notices of this date issued by the Commission under sections 204 and 205 of the SFO is desirable in the interest of the investing public and in the public interest.

3. The Commission has reached this view on the basis of the following matters:

    a) The Commission suspects that:

        i. in the initial public offerings (**IPOs**) of Cloudbreak Pharma Inc. (**Cloudbreak**, stock code: 2592) and Sichuan Baicha Baidao Industrial Co., Limited (**Sichuan Baicha**, stock code: 2555), certain placees and their connected persons (**Relevant Persons**) may have been involved in fraudulent schemes to create a false or artificial appearance of demand for Cloudbreak's and Sichuan Baicha's shares in their IPOs. The suspected schemes involved direct or indirect provision of funds to certain placees who were allotted substantial shares in Cloudbreak's and Sichuan Baicha's IPOs on 3 July 2025 and 23 April 2024 respectively. If not for the placees' subscriptions, there may have been insufficient demand for the IPO shares of Cloudbreak and Sichuan Baicha for both companies to be listed successfully at the same price; and

        ii. The Relevant Persons may also have been involved in fraudulent schemes, in which parts of the IPO proceeds may have been transferred out of listed companies for purported investments in financial products under undisclosed agreements between these listed companies and some of the clients of the Specified Corporations (**Clients)**.

    b) The Clients specified in the table below and whose accounts are the subject of the Notices of this date issued by the Commission under sections 204 and 205 of the SFO are amongst the Relevant Persons.

No.	Name
1	Avant Team Limited
2	Citadel Wealth Limited
3	Fortuna Capital Management Limited
4	Gemstone Capital Management Limited
5	Generations Capital Management Limited

6	Panda Capital Management Limited
7	Prudent Wealth Global Inc
8	Sun Ran
9	Timeless Capital Management Limited

c) The Commission therefore has reasons to suspect that the Relevant Persons might have committed offences under section 300 of the SFO by employing a fraudulent or deceptive scheme in transactions involving the shares of the listed issuers mentioned in paragraph 3(a) above.

d) Where it appears to the Commission that a person has contravened any of the provisions of the SFO specified above, the Court of First Instance (**CFI**), on the application of the Commission, may make orders requiring the person to take such steps as the CFI may direct, including steps to restore the parties to the transaction to the position in which they were before the transaction was entered into, or to pay damages to any other person(s) under section 213(8) of the SFO.

e) The Commission believes that it is necessary to prevent the Clients and/or person(s) connected with the Clients from operating and dealing with the accounts specified in the Notices and to preserve the cash and securities in the accounts pending further investigation.

f) In addition, the Commission also considers it necessary to prohibit the Specified Corporations from executing any instructions given directly or indirectly by the Clients where the Specified Corporations knows that any of the Clients is the ultimate beneficial owner of, and/or the persons ultimately giving the relevant instructions. The Specified Corporations are also required to notify the Commission immediately upon receipt of any aforesaid instruction(s).

g) To ensure that there will be funds available to satisfy any future restoration and/or compensation order and to minimize the risk of dissipation, the Commission considers that it is desirable in the interest of the investing public and in the public interest to impose on the Specified Corporations the prohibitions and requirements set out in the Notices issued by the Commission on this date.
