### **Explanatory Note**

Under section 35(1) of the Securities and Futures Ordinance (Cap. 571), the Securities and Futures Commission may prescribe limits on the number of futures contracts and options contracts that may be held or controlled by any person. It may also prescribe the reportable positions in respect of such contracts. The purpose of these Rules is to amend Schedules 1 and 2 to the Securities and Futures (Contracts Limits and Reportable Positions) Rules (Cap. 571 sub. leg. Y) to standardize the prescribed limits and reporting levels of all stock options contracts on shares listed on a stock market in Hong Kong and to remove the prescribed limits and reporting levels of the delisted futures contracts.
