

## Frequently Asked Questions relating to Open-ended Fund Companies

This FAQ is prepared by the Investment Products Division and aims to provide basic information to market practitioners in respect of open-ended fund companies (“OFCs”), which are subject to the Securities and Futures Ordinance (the “SFO”), the Securities and Futures (Open-ended Fund Companies) Rules (“OFC Rules”) and the Code on Open-ended Fund Companies (the “OFC Code”) (collectively, the “OFC-related Laws and Regulations”).

An applicant which seeks to establish a public OFC (as defined in the OFC Code) must also comply with all applicable requirements in the SFC Handbook for Unit Trusts and Mutual Funds, Investment-Linked Assurance Schemes and Unlisted Structured Investment Products (“SFC Products Handbook”) including the Code on Unit Trusts and Mutual Funds (“UT Code”) for authorization by the Securities and Futures Commission (“SFC”). A public OFC and publicly offered sub-funds of an OFC must also comply with all applicable requirements in the SFC Products Handbook after registration.

Applicants are encouraged to contact the relevant case team in the Investment Products Division of the SFC if in doubt on any specific issues arising from the application/interpretation of the relevant regulatory requirements or this FAQ. Please note that each application for registration is considered on a case-by-case basis. The information set out below is not meant to be exhaustive. This FAQ may be updated and revised from time to time. This FAQ is only for general reference. Compliance with all the requirements in this FAQ does not necessarily mean an application will be accepted or registration will be granted. The SFC reserves the rights to exercise all powers conferred under the law.

Unless otherwise defined herein, all terms shall have the meanings given to such terms in the OFC-related Laws and Regulations and the SFC Products Handbook.

Enquiries on OFC may be sent to [ofc-enquiry@sfc.hk](mailto:ofc-enquiry@sfc.hk).

	Question	Answer
<b>Requirements relating to establishment of an OFC</b>		
1.	How do I establish an OFC?	<p>To establish an OFC, the following must be obtained:</p> <ul style="list-style-type: none"> <li>i. registration of the OFC by the SFC;</li> <li>ii. Certificate of Incorporation issued by the Registrar of Companies; and</li> <li>iii. Business Registration Certificate issued by the Registrar of Companies on behalf of the Inland Revenue Department (“IRD”).</li> </ul> <p>A one-stop approach is adopted for the establishment of an OFC. The applicant would only have to submit all application documents required for (i), (ii) and (iii) above and the associated fees to the SFC. No separate submission of documents and fees in respect of (ii) and (iii) to the Companies Registry (“CR”) would be required. The documents intended for submission to the CR under (ii) and (iii) should be submitted to the SFC before the registration of an OFC is granted.</p> <p>If the registration requirements are met, the SFC will send a notice of registration to CR together with the applicant’s documents and fees for (ii) and (iii). Where the relevant requirements are met, the Registrar of Companies will issue the Certificate of Incorporation and Business Registration Certificate to the applicant. The SFC’s registration of the OFC will take effect on the date of issuance of the Certificate of Incorporation, whereupon the OFC would be established. For details on the CR’s requirements, you may refer to the thematic section on OFCs on <a href="#">CR’s website</a>.</p> <p>If you intend to establish a public OFC and seek authorization by the SFC, you must also comply with all applicable authorization requirements set out in the SFC Products Handbook (see the <a href="#">Frequently Asked Questions on Application Procedures for Authorization of Unit Trusts and Mutual Funds under the Revamped Process</a> (“FAQs on Application For Authorization”)).</p>

20.	Are OFCs qualified for the mutual fund recognition (“MRF”) arrangements entered into by the SFC?	SFC-authorized funds structured in the form of OFCs are eligible under the scope of the MRF arrangements entered into by the SFC with the Swiss Financial Market Supervisory Authority, the Autorité des Marchés Financiers of France, the Financial Conduct Authority of the United Kingdom, the Commission de Surveillance du Secteur Financier of Luxembourg, and the Dutch Authority for the Financial Markets of the Netherlands, respectively <sup>10</sup> . Discussions are underway with other relevant overseas regulators with a view to seeking the inclusion of OFCs in the MRF arrangements. 	Question	Answer
21.	Can the OFC structure be used for setting up closed-ended funds?	“Closed-ended” fund is not a legally defined term and generally refers to funds which are subject to redemption restrictions pursuant to which shares or units usually cannot be redeemed at the holders’ discretion. An OFC is a corporate fund vehicle with a variable capital and it is not precluded from imposing redemption restrictions. In line with the General Principles in the OFC Code, where an OFC imposes redemption restrictions, such restrictions should be clearly disclosed in the OFC’s offering documents.
<b>Requirements relating to OFC custodians</b>		
22.	Where a proposed custodian to be appointed by a private OFC is not an existing trustee/ custodian of SFC-authorized funds (“Non-UT Custodian”), what are the requirements with regards to the custodian’s internal controls and systems to demonstrate compliance with the OFC Code? Are there requirements for ongoing demonstration of compliance?	<p>Under the SFO, the OFC custodian must take reasonable care, skill and diligence to ensure the safekeeping of the scheme property of the OFC that is entrusted to it. The OFC Code also sets out the specific duties of OFC custodians. Accordingly, custodians of OFCs, including private OFCs, are expected to put in place adequate internal controls and systems to meet its duties under the applicable laws and regulations. Under the OFC Rules, the appointment of a custodian by an OFC is subject to the SFC’s approval.</p> <p>In this connection, where the private OFC appoints a Non-UT Custodian whose functions are mainly carried out in Hong Kong and/or in a non-acceptable inspection regime, the private OFC custodian should submit its internal controls report (“Custodian Report”)<sup>11</sup> to the OFC proposing to appoint it. The Custodian Report should cover, at a minimum, the following aspects:</p> <ul style="list-style-type: none"> <li>(a) Maintenance of a control environment;</li> <li>(b) Compliance with applicable legal and regulatory requirements;</li> <li>(c) Appointment and oversight on third parties; and</li> <li>(d) Custody and safeguarding of scheme property.</li> </ul>

<sup>11</sup> Where the entity to be appointed is an existing custodian of another SFC-registered OFC, no separate Custodian Report is mandated to be prepared, but the OFC newly making the appointment should review the adequacy of the Custodian Report and ensure that the custodian’s internal controls and systems are commensurate with the nature, scale and complexity of the private OFC concerned.

	Question	Answer
		<p>Where a private OFC appoints a Non-UT Custodian whose functions are (a) mainly carried out in an acceptable inspection regime (“AIR”) which meets the requisite requirements<sup>12</sup>; or (b) carried out by the head/branch office(s) of a banking institution in an AIR whereby a separate arm/office of the banking institution is currently acting as trustee/custodian for SFC-authorized funds, in view that the custodian in these jurisdictions are already subject to applicable requirements and the oversight of regulators in the relevant jurisdictions, a Custodian Report is not required.</p> <p>The OFC’s board of directors should note their general duty under the OFC Code to use reasonable care, skill and diligence to oversee the activities of the custodian as part of their overall duty to oversee the operations of the OFC. The board should ensure that it is satisfied (i) that the custodian has sufficient experience, expertise and competence in safekeeping the asset types in which the OFC may invest; and (ii) with the adequacy of a custodian’s internal systems and controls before appointing the custodian accordingly (including a review of the Custodian Report where applicable). The directors should also review and consider adequacy of the custodian’s internal systems and controls on a continuing basis having regard to the nature, scale and complexity of the OFC and the custodial risks specific to the type and nature of assets in which the OFC may invest and any relevant changes to the OFC from time to time.</p> <p>For the avoidance of doubt, custodians of public OFCs must comply with the SFC Products Handbook’s requirements on custodians’ internal controls and systems. Please refer to the Information Checklists<sup>13</sup> for more detailed guidance. Applicants are welcome to consult the SFC to seek further guidance if in doubt.</p>

<sup>12</sup> These refer to custodians whose functions are mainly carried out in AIRs and with the primary supervisory authority being one of those with whom the SFC has co-operation agreements (including Australia, France, Germany, Ireland, Luxembourg, Malaysia, Taiwan, United Kingdom and United States of America). The list of AIRs is available at: <https://www.sfc.hk/web/EN/regulatory-functions/products/list-of-publicly-offered-investment-products/list-of-recognised-jurisdiction-schemes-and-inspection-regimes.html>.

<sup>13</sup> Relevant guidance is set out in the Information Checklist for Application for Registration of a Private Open-ended Fund Company or Establishment of a Privately offered Sub-fund of an Open-ended Fund Company (applicable to applications for the establishment of private OFCs) and the Information Checklist for Application for Approval of Appointment of Director, Custodian or Investment Manager of a Private Open-ended Fund Company (applicable to appointment of custodian for a private OFC post-establishment) respectively. The OFC and/or the custodian should provide other supporting documents which the SFC may deem necessary.

	Question	Answer
23.	Can multiple custodians be appointed for an OFC? Where multiple custodians are appointed, what would be the responsibilities of each custodian?	<p>Section 112ZA(2) of the SFO requires that all the scheme property of an OFC must be entrusted to a custodian of the OFC for safekeeping. This does not preclude the appointment of multiple custodians.</p> <p>Section 112ZA(4) of the SFO requires a custodian of an OFC to ensure the safe keeping of the scheme property of the OFC that is entrusted to it. Each custodian is subject to this requirement in relation to the scheme property of the OFC that is entrusted to it by the OFC. In complying with this requirement, the custodians should also comply with the OFC Code, including paragraph 7.3 which requires, amongst others, a custodian to hold in its custody the scheme property of the OFC that is entrusted to it which can be so held; and maintain a proper record of all other scheme property entrusted to it which by its nature cannot be held in custody in the account of the OFC in the custodian's books.</p>
24.	According to Appendix A to the OFC Code, Hong Kong Scheme Money must be paid into the segregated bank account established under paragraph 2(a) of Appendix A within one business day. How does this requirement apply to subscription money?	Subscription money received and held pending the allotment of shares in the relevant private OFC is not the property of the private OFC, and is held on behalf of the subscribing investors until the subscription for shares in the relevant private OFC is accepted. Custodians should keep subscription money in a separate designated collection account pending the allotment of the shares in the relevant OFC. Upon acceptance of the subscription for shares in the private OFC, the custodian should pay the relevant amount into the segregated bank account established pursuant to Appendix A to the OFC Code within one business day. Records of subscription money should be kept separately.
25.	Paragraph 7 of Appendix A to the OFC Code requires a private OFC custodian to keep various records, including "accounting" records. Could the SFC provide examples of records that should be kept?	Under the OFC Code, a private OFC custodian is required to maintain proper and up-to-date records of all scheme property of the OFC that it receives or holds on behalf of the OFC and others that cannot be held in custody. For example, the records should enable all movements of the scheme property to be traced through the private OFC custodian's systems with frequent reconciliations. Records should also be kept which are sufficient to show particulars of the liabilities, including any financial commitments and contingent liabilities of a private OFC. This would likely include but is not limited to the keeping of records of items such as holdings, transaction settlement status, corporate actions, cash balances, accrued fees, receivables,
