Documents required by the SFC</p> <p><i>A) <u>Submission of documents by soft copy, except for Vetting Authorization Form (where applicable)</u></i></p> <p>Save for the Vetting Authorization Form¹¹ in the case of application for appointment of a director who is not currently a director of other SFC-registered OFC(s), OFCs shall submit documents by soft copy for all applications and post-filings via e-IP, and are only required to submit the hard copy of the original Vetting Authorization Form, where applicable, as soon as practicable</p>

Please refer to section 4.1.2.5. entitled – “Completing the signing process for the Ordinary Form(s) & Checklist(s) (where applicable)” of the e-IP (Investment Products Division) User Guide for details. Application documents required by the CR</p> <p>For the avoidance of doubt, the one-stop approach for a change of name and appointment of director of an OFC (see Q16 above) remains unchanged, and the arrangement to submit documents by soft copy applies only to documents required by the SFC. Hard copy of documents and fees (if applicable) required by the CR should be submitted via the SFC.</p>

17.	Will my application lapse after a certain period of time?	<p>An application will lapse if (a) in the case of an application for registration of an OFC or approval of establishment of a sub-fund of a SFC-registered OFC, six months have elapsed after the application has been taken up and no registration/ approval has been granted; or (b) in the case of an application for approval of change of name or appointment key operator(s) of an OFC, no approval is granted within the applicable processing time period as indicated in the first requisition issued by the SFC (if issued). The SFC will issue a letter of mindedness to remind and inform the applicant of the lapse of the application prior to the date. In the case of an application of registration of a private OFC or approval of establishment of a privately offered sub-fund, such reminder will be issued after 4 months have elapsed from the take-up date of the application. As the applications for registration and authorization for a public OFC or public sub-fund will be processed in tandem and the processing timeline for the two applications will be attuned, please refer to the FAQs on Application for Authorization for information on the lapse of an application.</p> <p>Once an application has lapsed or has been refused, if the applicant wishes to make an application for the same matter, it would have to make a fresh application.</p>
18.	Can a private OFC be converted into a public OFC and vice versa?	<p>A private OFC may seek the SFC's authorization to become a public OFC. 20.	Are OFCs qualified for the mutual fund recognition (“MRF”) arrangements entered into by the SFC?	SFC-authorized funds structured in the form of OFCs are eligible under the scope of the MRF arrangements entered into by the SFC with the Swiss Financial Market Supervisory Authority, the Autorité des Marchés Financiers of France, the Financial Conduct Authority of the United Kingdom, the Commission de Surveillance du Secteur Financier of Luxembourg, the Dutch Authority for the Financial Markets of the Netherlands, the Securities and Exchange Commission of Thailand and the Central Bank of Ireland, respectively ¹² . SFC-authorized Islamic OFCs are also eligible under the scope of the MRF arrangement entered into by the SFC with the Securities Commission of Malaysia ¹² . Discussions are underway with other relevant overseas regulators with a view to seeking the inclusion of OFCs in the MRF arrangements. Further updates will be made where there are relevant developments.
21.	Can the OFC structure be used for setting up closed-ended funds?	“Closed-ended” fund is not a legally defined term and generally refers to funds which are subject to redemption restrictions pursuant to which shares or units usually cannot be redeemed at the holders’ discretion. An OFC is a corporate fund vehicle with a variable capital and it is not precluded from imposing redemption restrictions. In line with the General Principles in the OFC Code, where an OFC imposes redemption restrictions, such restrictions should be clearly disclosed in the OFC’s offering documents.

¹² To qualify, the OFC should meet the requirements under the relevant MRF arrangement. With regard to the MRF arrangement with (i) Switzerland, please refer to the SFC’s press release on 2 December 2016 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=16PR132>; (ii) France, the SFC’s press release on 10 July 2017 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=17PR95>; (iii) the United Kingdom, the SFC’s press release on 8 October 2018 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=18PR116>; (iv) Luxembourg, the SFC’s press release on 15 January 2019 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=19PR3>; (v) the Netherlands, the SFC’s press release on 15 May 2019 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=19PR38>; (vi) Thailand, the SFC’s press release on 20 January 2021 available at: <https://www.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=21PR7>; (vii) Ireland, the SFC’s press release on 14 May 2025 available at: <https://apps.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=25PR64> and (viii) Malaysia, the SFC’s press release on 9 November 2009 available at: <https://apps.sfc.hk/edistributionWeb/gateway/EN/news-and-announcements/news/doc?refNo=09PR157>.

Requirements relating to financial reports		
21A.	May an OFC be exempted from the requirement to prepare and publish an annual report?	<p>Pursuant to rule 151 of the OFC Rules, on application by an OFC, the SFC may, if it considers appropriate in the circumstances, exempt the directors of an OFC from the requirement to prepare an annual report for a financial year and the OFC from the requirement to publish the annual report and provide a copy to any shareholder (“AR exemption”).</p> <p>In this connection, it is generally expected that for an application seeking an AR exemption, the OFC should meet the following conditions (“Conditions”):</p> <ul style="list-style-type: none"> i. the relevant OFC has not been launched; and ii. the relevant OFC has no investor. <p>An OFC is generally not considered to have been launched if it has not received any subscription proceeds for investments. For the avoidance of doubt, management shares may be issued by an OFC which does not provide the holder(s) with any right to the income or profits of the OFC concerned but only a return of capital upon winding-up.</p> <p>In making an application to the SFC, the directors of the OFC should provide a certification that the above Conditions concerning the OFC are fulfilled, and the SFC may request other supporting documents if necessary.</p> <p>Notwithstanding the grant of an AR exemption, the OFC and its directors should continue to comply with the applicable provisions in the OFC Rules and OFC Code, including the obligation to maintain proper books and records of the OFC and its sub-fund(s) pursuant to rule 157 of the OFC Rules and make such documents available for inspection upon request.</p> <p>The AR exemption, if granted by the SFC, will lapse when the OFC concerned no longer meets one or more of the above Conditions, in which case the OFC should notify the SFC in writing immediately.</p> <p>The first financial year of an OFC should commence from the date of incorporation according to</p>

	Question	Answer
		<p>rules 148 and 149 of the OFC Rules. Thus, after the OFC concerned has been launched, its first annual report should cover the period commencing from the incorporation of the OFC to the end of the relevant financial year.</p> <p>OFCs are encouraged to contact relevant case officers to consult the SFC in advance should they wish to apply for such exemption and waiver.</p>
21AB.	Does a sub-fund of an OFC have to apply for a waiver from disclosure of its financial position and results in the annual report of an umbrella OFC where the sub-fund is not yet launched?	<p>No. Directors of an umbrella OFC may determine if the start date of a sub-fund's first financial period should fall on the date of its establishment or its date of launch as they deem appropriate. Accordingly, where a sub-fund is not launched upon establishment and if the directors determine to use the sub-fund's launch date as the start date of the first financial period, the financial position and results of that sub-fund can be disclosed in the annual report after it has been launched, and thus no waiver is required.</p> <p>A sub-fund is generally not considered to have been launched if it has not received any subscription proceeds for investments and has no investor since its establishment date or the date of re-domiciliation (in the case of an existing sub-fund of a re-domiciled OFC).</p>
21B.	Can a private OFC apply for an extension of time for the publication and filing of its annual report?	<p>Pursuant to 9.8 of the OFC Code, an annual report of an OFC must be published within four months of the end of the OFC's financial year ("AR Publication Period"). 9.9 of the OFC Code further provides that all financial reports published by the OFC must be filed with the SFC within the time frame specified in 9.8 of the OFC Code ("AR Filing Period").</p> <p>The SFC may modify or relax the application of a requirement in the OFC Code if it considers that, in particular circumstances, strict application of the requirement would operate in an unduly burdensome or unnecessarily restrictive manner.</p> <p>Any application from a private OFC seeking a waiver from the AR Publication Period and/or AR Filing Period must be supported by detailed reasons why the waiver is sought. Generally, the SFC may consider granting a waiver where strict application of the requirement would be unduly burdensome or unnecessarily restrictive, including for example, where a private OFC involves a fund-of-funds structure and there is a difference in the financial accounts publication period</p>

Requirements relating to OFC custodians		
22.	<p>Where a proposed custodian to be appointed by a private OFC is not an existing trustee/ custodian of SFC-authorized funds (other than a custodian that is licensed or registered by the SFC to carry out Type 13 regulated activity) (“Non-UT Custodian”), what are the requirements with regards to the custodian’s internal controls and systems to demonstrate compliance with the OFC Code? Are there requirements for ongoing demonstration of compliance?</p>	<p>Under the SFO, the OFC custodian must take reasonable care, skill and diligence to ensure the safekeeping of the scheme property of the OFC that is entrusted to it. The OFC Code also sets out the specific duties of OFC custodians. Accordingly, custodians of OFCs, including private OFCs, are expected to put in place adequate internal controls and systems to meet its duties under the applicable laws and regulations. Under the OFC Rules, the appointment of a custodian by an OFC is subject to the SFC’s approval.</p> <p>In this connection, where the private OFC appoints a Non-UT Custodian whose functions are mainly carried out in Hong Kong and/or in a non-acceptable inspection regime, the private OFC custodian should submit its internal controls report (“Custodian Report”)¹³ to the OFC proposing to appoint it. The Custodian Report should cover, at a minimum, the following aspects:</p> <ul style="list-style-type: none"> (a) Maintenance of a control environment; (b) Compliance with applicable legal and regulatory requirements; (c) Appointment and oversight on third parties; and (d) Custody and safeguarding of scheme property.

¹³ Where the entity to be appointed is an existing custodian of another SFC-registered OFC, no separate Custodian Report is mandated to be prepared, but the OFC newly making the appointment should review the adequacy of the Custodian Report and ensure that the custodian’s internal controls and systems are commensurate with the nature, scale and complexity of the private OFC concerned.

	Question	Answer
		<p>Where a private OFC appoints a Non-UT Custodian whose functions are (a) mainly carried out in an acceptable inspection regime (“AIR”) which meets the requisite requirements¹⁴; or (b) carried out by the head/branch office(s) of a banking institution in an AIR whereby a separate arm/office of the banking institution is currently acting as trustee/custodian for SFC-authorized funds, in view that the custodian in these jurisdictions are already subject to applicable requirements and the oversight of regulators in the relevant jurisdictions, a Custodian Report is not required.</p> <p>The OFC’s board of directors should note their general duty under the OFC Code to use reasonable care, skill and diligence to oversee the activities of the custodian as part of their overall duty to oversee the operations of the OFC. The board should ensure that it is satisfied (i) that the custodian has sufficient experience, expertise and competence in safekeeping the asset types in which the OFC may invest; and (ii) with the adequacy of a custodian’s internal systems and controls before appointing the custodian accordingly (including a review of the Custodian Report where applicable). The directors should also review and consider adequacy of the custodian’s internal systems and controls on a continuing basis having regard to the nature, scale and complexity of the OFC and the custodial risks specific to the type and nature of assets in which the OFC may invest and any relevant changes to the OFC from time to time.</p> <p>For the avoidance of doubt, custodians of public OFCs must comply with the SFC Products Handbook’s requirements on custodians’ internal controls and systems. Please refer to the Information Checklists¹⁵ for more detailed guidance. Applicants are welcome to consult the SFC to seek further guidance if in doubt.</p>

¹⁴ These refer to custodians whose functions are mainly carried out in AIRs and with the primary supervisory authority being one of those with whom the SFC has co-operation agreements (including Australia, France, Germany, Ireland, Luxembourg, Malaysia, Taiwan, United Kingdom and United States of America). The list of AIRs is available at: <https://www.sfc.hk/web/EN/regulatory-functions/products/list-of-publicly-offered-investment-products/list-of-recognised-jurisdiction-schemes-and-inspection-regimes.html>.

¹⁵ Relevant guidance is set out in the Information Checklist for Application for Registration of a Private Open-ended Fund Company or Establishment of a Privately offered Sub-fund of an Open-ended Fund Company (applicable to applications for the establishment of private OFCs) and the Information Checklist for Application for Approval of Appointment of Director, Custodian or Investment Manager of a Private Open-ended Fund Company (applicable to appointment of custodian for a private OFC post-establishment) respectively. The OFC and/or the custodian should provide other supporting documents which the SFC may deem necessary.

	Question	Answer
23.	Can multiple custodians be appointed for an OFC? Where multiple custodians are appointed, what would be the rights and liabilities of each custodian?	<p>Section 112ZA(2) of the SFO requires that all the scheme property of an OFC must be entrusted to a custodian of the OFC for safekeeping. This does not preclude the appointment of multiple custodians (including by the appointment of a different custodian for each sub-fund). In any case, the OFC must ensure that no scheme property should be left without custody.</p> <p>It is noted that applications for registration of a private OFC and/or its sub-funds may include a proposed appointment of multiple custodians from time to time. Please be reminded that where multiple custodians are to be appointed, the instrument of incorporation and/or custodian agreement of the OFC should include provisions achieving the following:</p> <ul style="list-style-type: none"> (i) ensure that all scheme property must be duly entrusted to the custodian(s) of the OFC; (ii) demarcate the rights and liabilities of each custodian clearly as to the respective scheme property that each custodian is entrusted with and responsible for; and (iii) provide for a default mechanism to place into custody any scheme property potentially arising at the umbrella-level OFC (such as any assets which may be attributed to the umbrella due to accounting treatment, or otherwise arising) to a specified custodian of the OFC. <p>Please be reminded that pursuant to Section 112ZA(4) of the SFO, each custodian appointed by an OFC is subject to the duty to take reasonable care, skill and diligence to ensure the safe keeping of the scheme property of the OFC that is entrusted to it.</p> <p>In addition, custodians of an OFC should observe the custody requirements in the OFC Code. For example, each custodian must ensure that it has sufficient experience, expertise and competence in safekeeping the asset types in which the OFC invests; and maintain adequate internal controls and systems commensurate with the custodial risks specific to the type and nature of assets in which the OFC invests. The appointment of each custodian of an OFC is subject to the SFC's approval.</p> <p>Applicants are welcome to contact the relevant case officers to seek further guidance from the SFC if in doubt, especially where a public OFC would like to appoint multiple custodians.</p>

24.	According to Appendix A of the OFC Code, Hong Kong Scheme Money must be paid into the segregated bank account established under paragraph 2(a) of Appendix A within one business day. How does this requirement apply to subscription money?	Subscription money received and held pending the allotment of shares in the relevant private OFC is not the property of the private OFC until the subscription for shares in the relevant private OFC is accepted. Where the custodian of a private OFC receives subscription money on behalf of the OFC before the relevant subscriptions are accepted, the custodian should keep the subscription money in a separate designated collection account pending the allotment of the shares in the relevant OFC. Upon acceptance of the subscription for shares in the private OFC, the custodian should pay the relevant amount into the segregated bank account established pursuant to Appendix A of the OFC Code within one business day. Records of subscription money should be kept separately.
24A.	For an SFC-licensed corporation or registered institution acting as a custodian of a private OFC ("Private OFC Custodian"), what should it take note of from an anti-money laundering and counter-financing of terrorism perspective when making payments to or receiving money from third parties on behalf of the OFC ("Third Party Payments/ Receipts")?	<p>These Private OFC Custodians may from time to time handle Third Party Payments/ Receipts on behalf of the OFC, such as paying redemption monies to investors or expenses to service providers of an OFC.</p> <p>In accordance with the requirements for safekeeping of OFC scheme property set out in Appendix A to the OFC Code, a Private OFC Custodian conducting Third Party Payments/ Receipts should comply with the applicable provisions of, among others, the Guideline on Anti-Money Laundering and Counter-Financing of Terrorism (For Licensed Corporations and SFC-licensed Virtual Asset Service Providers) ("AML Guideline"). This would include the provisions under Chapter 11 of the AML Guideline regarding, for example, the monitoring systems and controls for identifying transactions involving third-party deposits, the due diligence process for assessing third-party deposits and payments, and the process for granting the standing approval for accepting deposits or payments from or to a particular third party after assessing the third-party arrangement's risks and reasonableness.</p> <p>Where the Private OFC Custodian has been unable to satisfy itself during the due diligence process that a Third Party Payment/ Receipt is reasonable and therefore considers it suspicious, it should make a suspicious transaction report to the Joint Financial Intelligence Unit.</p> <p>It is important to note that all scheme property of an OFC must be entrusted to its custodian for safekeeping under section 112ZA of the SFO and OFC custodians must observe all applicable obligations under Chapter 7 of the OFC Code. Accordingly, monies which form part of an OFC's</p>

25.	Paragraph 7 of Appendix A to the OFC Code requires a private OFC custodian to keep various records, including “accounting” records. Could the SFC provide examples of records that should be kept?	Under the OFC Code, a private OFC custodian is required to maintain proper and up-to-date records of all scheme property of the OFC that it receives or holds on behalf of the OFC and others that cannot be held in custody. For example, the records should enable all movements of the scheme property to be traced through the private OFC custodian’s systems with frequent reconciliations. Records should also be kept which are sufficient to show particulars of the liabilities, including any financial commitments and contingent liabilities of a private OFC. This would likely include but is not limited to the keeping of records of items such as holdings, transaction settlement status, corporate actions, cash balances, accrued fees, receivables, payables, etc, to facilitate the private OFC custodian in reconciling the existence of scheme property mentioned in para 7(a) of the Appendix A to the OFC Code.
