Important note

This Booklet provides general information of licensing and registration matters under the Securities and Futures Ordinance (“SFO”) administered by the Securities and Futures Commission (“SFC”).

Whilst it is believed that this Booklet provides an accurate overview of the licensing and registration requirements, it is not intended to deal with all situations. Besides, some technical details have been omitted for the sake of clarity. For more precise guidance, you should consult your own professional advisers and refer to the SFO.

Licensing information is also available at the SFC’s web site at <http://www.hksfc.org.hk>. Answers to some *Frequently Asked Questions* on licensing related matters as updated from time to time are posted on the web site. In addition, you may access to licensing information through the SFC Infoline at 2840-9393. A reference guide to the Infoline is at **Appendix A**.

Authorized financial institutions¹ having any query concerning licensing related matters should first contact the responsible case officer in the Banking Supervision Department of the Hong Kong Monetary Authority (“HKMA”).

¹ “Authorized financial institution” means an authorized institution as defined in section 2(1) of the Banking Ordinance (i.e. a bank, a restricted licence bank or a deposit-taking company).

Part 1 Introduction

- 1.1 The SFC administers the SFO which governs the securities and futures markets and the non-bank retail leveraged foreign exchange market in Hong Kong. Part V of the SFO particularly deals with licensing and registration matters.
- 1.2 Any person carrying on regulated activities has to be licensed or registered with the SFC unless specific exemption (see Part 5) is provided. **It is a serious offence to carry out regulated activity in Hong Kong or targeting the investing public of Hong Kong without the required licence or registration.**
- 1.3 The SFO promulgates a single licensing regime where a person only needs one licence or registration to carry on different types of regulated activity as defined in Schedule 5 to the SFO (see Part 2) provided that he is fit and proper to do so.
- 1.4 This Booklet sets out the basic approval criteria (see Part 6) and application procedures for corporations and individuals who wish to carry out regulated activities (see Part 7). It also provides information on other licensing related matters such as on-going obligations of intermediaries (see Part 10) and possible disciplinary sanctions against improper acts of an intermediary (see Part 12).

Part 2 Types of regulated activity

- 2.1 Persons conducting business in regulated activities are generally required to be licensed or registered with the SFC (see Parts 3 and 5 for more information). The regulated activities that they are permitted to carry out are specified on their licences or certificates of registration.
- 2.2 Schedule 5 to the SFO stipulates **9 types** of regulated activity and provides detailed definition for each of them. These activities include:-
- ❖ Type 1 Dealing in securities
 - ❖ Type 2 Dealing in futures contracts
 - ❖ Type 3 Leveraged foreign exchange trading
 - ❖ Type 4 Advising on securities
 - ❖ Type 5 Advising on futures contracts
 - ❖ Type 6 Advising on corporate finance
 - ❖ Type 7 Providing automated trading services
 - ❖ Type 8 Securities margin financing
 - ❖ Type 9 Asset management
- 2.3 A corporation licensed for Type 8 regulated activity is subject to a sole-business condition whereby the corporation normally shall not carry on business other than securities margin financing (section 118(1)(d)(i) of the SFO).
- 2.4 For ease of reference, the definition of each type of regulated activity under the SFO is extracted at **Appendix B**.

Part 3 Do you need a licence or registration?

3.1 Broadly speaking, you need a **licence** if you are not an authorized financial institution¹ and:-

- ❖ you carry on a business in a regulated activity or hold out as carrying on a business in a regulated activity. In this case, you have to be a *licensed corporation*² (section 114(1) and (2) of the SFO);
- ❖ you actively market, whether by yourself or another person on your behalf and whether in Hong Kong or from a place outside Hong Kong, to the public any services that you provide, which would constitute a regulated activity if provided in Hong Kong. In this case, you have to be a *licensed corporation*² (section 115 of the SFO); or
- ❖ you are an individual performing a regulated function³ for your principal which is a licensed corporation in relation to a regulated activity carried on as a business or you hold out as performing such function. In that case, you have to be a *licensed representative* accredited to your principal (section 114(3) and (4) of the SFO). In addition, if you are an executive director⁴ of

² Sole proprietorship or partnership is not an acceptable form of business structure for the purposes of licensing.

³ "Regulated function", in relation to a regulated activity carried on as a business by any person, means any function performed for or on behalf of or by arrangement with the person relating to the regulated activity, other than work ordinarily performed by an accountant, clerk or cashier.

⁴ "Executive director", in relation to a licensed corporation, means a director of the corporation who –
(a) actively participates in; or
(b) is responsible for directly supervising,
the business of a regulated activity for which the corporation is licensed.

that corporation, you also need to be approved as a *responsible officer* (section 125(1)(a) of the SFO).

3.2 You need a **registration** if you are an authorized financial institution¹ and:-

- ❖ you carry on a business of regulated activity⁵ or hold out as carrying on a business in a regulated activity. In that case, you have to be a *registered institution* (section 114(1) and (2)); or
- ❖ you actively market, whether by yourself or another person on your behalf and whether in Hong Kong or from a place outside Hong Kong, to the public any services that you provide, which would constitute a regulated activity if provided in Hong Kong. In this case, you have to be a *registered institution* (section 115 of the SFO).

Notes for attention

Relevant individuals of registered institutions

3.3 Relevant individuals who perform regulated functions in relation to regulated activities for registered institutions (e.g. bank staff working in the securities dealing department) are not required to be licensed or registered with the SFC. However, their names have to be entered in the register maintained by the HKMA if they are to perform regulated activities⁵. That register is available on the HKMA's web site (see paragraph 11.3).

⁵ Other than Type 3 (leveraged foreign exchange trading) and Type 8 (securities margin financing) regulated activities for which authorized financial institutions are not required to be registered to carry out those activities.

- 3.4 It is a statutory condition of registration for every registered institution that its relevant individuals are fit and proper. To that end, all relevant individuals are required, among other things, to fulfil the same competence requirements as licensed representatives or responsible officers (as the case may be) of licensed corporations (see paragraphs 6.10.6 and 6.10.7 for more information).

Provision of financial information on the Internet or on-line trading services

- 3.5 If you intend to provide financial information on the Internet or any on-line trading services, please refer to **Appendix C** for more information on related licensing requirements.

Promotional schemes

- 3.6 Intermediaries offering promotional schemes organized in conjunction with their affiliates should pay special attention to the licensing requirements. In particular, care should be taken to ensure that the marketing activities do not cause the affiliates (which may not be licensed or registered) to engage in dealing in securities, dealing in futures contracts or other regulated activities.

Incentive schemes

- 3.7 The implementation of incentive schemes, whereby any member of the public (as conducting a business himself) would be remunerated in the form of commission, rebate, etc. after successfully introducing clients to a licensed person or a registered institution, is generally unacceptable. Such practice could potentially result in the introducing party engaging in unlicensed regulated activities. The licensed person or registered institution concerned could also be liable for aiding and abetting the offence. It is of concern that the clients so introduced may not receive the appropriate protection afforded by the regulatory regime. In addition, the introducing party may not be fit and proper to carry out that function.

Part 4 Types of intermediary⁶

4.1 Licensed corporation

It is a corporation (not being an authorized financial institution) which is granted a licence to carry on one or more than one regulated activity under section 116 of the SFO.

Please see paragraph 6.4 for more information.

4.2 Temporary licensed corporation

It is a corporation (not being an authorized financial institution) which is granted a temporary licence to carry on, for a period not exceeding 3 months, one or more than one regulated activity⁷ under section 117 of the SFO.

Please see paragraph 6.5 for more information.

4.3 Responsible officer

He is a licensed representative (see paragraph 4.4) who is also approved as a responsible officer under section 126 of the SFO to supervise the regulated activity of the licensed corporation to which he is accredited.

Please see paragraph 6.6 for more information.

⁶ For simplicity, the term "intermediary" in this Part broadly refers to any person licensed by or registered with the SFC. This coverage is wider than the relevant provisions under Part 1 of Schedule 1 to the SFO where "intermediary" is defined to mean a licensed corporation or a registered institution only.

⁷ Other than Type 3 (leveraged foreign exchange trading), Type 7 (providing automated trading services), Type 8 (securities margin financing) and Type 9 (asset management) which a temporary licence holder is not permitted to carry out.

4.4 **Licensed representative**

He is an individual who is granted a licence under section 120(1) of the SFO to carry on one or more than one regulated activity for a licensed corporation to which he is accredited.

Please see paragraph 6.7 for more information.

4.5 **Provisional licensed representative**

He is an individual who is granted a provisional licence under section 120(2) of the SFO to carry on one or more than one regulated activity for a licensed corporation to which he is accredited (prior to the grant of his licence under section 120(1) of the SFO).

Please see paragraph 6.8 for more information.

4.6 **Temporary licensed representative**

He is an individual who is granted a temporary licence under section 121 of the SFO to carry on, for a period not exceeding 3 months, one or more than one regulated activity⁷ for a corporation licensed under section 116 or 117 to which he is accredited.

Please see paragraph 6.9 for more information.

4.7 **Registered institution**

It is an authorized financial institution which is registered to carry on one or more than one regulated activity⁵ under section 119 of the SFO.

Please see paragraph 6.10 for more information.

Part 5 Exemption from licensing requirements

- 5.1 This Part gives an overview of certain common situations in which exemption from the licensing requirements may apply under the SFO. This information is provided with a view to assisting prospective applicants in considering the appropriate types of regulated activity necessary for their proposed businesses. The information contained hereunder is by no means exhaustive. You should refer to the SFO or consult your professional advisers if you need guidance specific to your case.
- 5.2 For simplicity, the terms “licence” and “licensed” in this Part bear the same meaning as “registration” and “registered” respectively unless otherwise specified.

Incidental exemption

- 5.3 You may not be required to be licensed for certain regulated activities if such activities are performed wholly incidental to your carrying out of another regulated activity for which you are already licensed. Incidental exemption may apply in the following circumstances:-

Licensed for Type 1 regulated activity and carry out certain other regulated activities

- 5.3.1 You are licensed for Type 1 regulated activity (dealing in securities) and you wish to carry out Type 4 (advising on securities), Type 6 (advising on corporate finance) and/or Type 9 (asset management) regulated activity. You do not need to be licensed for Types 4, 6 and 9 provided that these activities are carried out wholly incidental to your securities dealing business. This exemption normally applies to

stockbrokers who provide investment advice or manage discretionary accounts for their securities clients.

Licensed for Type 2 regulated activity and carry out certain other regulated activities

- 5.3.2 You are licensed for Type 2 regulated activity (dealing in futures contracts) and you wish to carry out Type 5 (advising on futures contracts) and/or Type 9 (asset management) regulated activity. You do not need to be licensed for Types 5 and 9 provided that these activities are carried out wholly incidental to your futures dealing business. This exemption normally applies to futures brokers who provide investment advice or manage discretionary accounts for their futures clients.

Licensed for Type 9 regulated activity and carry out certain other regulated activities

- 5.3.3 You are licensed for Type 9 regulated activity (asset management) and you wish to carry out Type 1 (dealing in securities) and/or Type 2 (dealing in futures contracts) regulated activity. You do not need to be licensed for Types 1 and 2 provided that these activities are carried out solely for the purposes of your asset management business. This exemption normally applies to fund managers who place trade orders to dealers in the course of managing their clients' portfolios of securities and/or futures contracts.

Securities dealer - margin financier exemption

- 5.4 If you are licensed for Type 1 regulated activity (dealing in securities), you need not separately be licensed for Type 8 regulated activity (securities margin financing) to carry out securities margin financing activities for your clients. However, you would need to satisfy a more stringent financial resources requirement in terms of paid-up capital in order to do so (see paragraph 6.4.10). This

exemption normally applies to stockbrokers who also provide margin financing facilities to their securities clients.

- 5.5 Please note that in any event, authorized financial institutions are not required to be registered for Type 8 regulated activity to carry out securities margin financing activities.

Dealing with professional investor exemption

- 5.6 You may not be required to be licensed for futures or securities dealing activity if you act as principal and deal with professional investors⁸ only. This exemption will apply if:-

In relation to dealing in futures contracts

- ❖ you as principal carry out the dealing activity concerned in relation to a futures contract traded otherwise than on a recognized futures market by way of dealing with a person who is a professional investor⁸ (whether acting as principal or agent); or

In relation to dealing in securities

- ❖ you as principal carry out the dealing activity concerned by way of dealing with a person who is a professional investor⁸ (whether acting as principal or agent).

⁸ "Professional investor" is specifically defined in Part 1 of Schedule 1 to the SFO. However, please note that the definition of "professional investor" in the *Securities and Futures (Professional Investor) Rules* does not apply in this exemption.

Advising group company exemption

- 5.7 You are not required to be licensed for Type 4 (advising on securities), Type 5 (advising on futures contracts), Type 6 (advising on corporate finance) or Type 9 (asset management) regulated activity if you provide the related investment advice or services solely to your wholly owned subsidiaries, your holding company which holds all your issued shares, or other wholly owned subsidiaries of that holding company.
- 5.8 However, this exemption is only applicable if you provide the relevant services to such group companies in respect of their own assets. In case that the assets belong to the clients of those group companies, this exemption will not apply. In other words, managing or advising on assets belonging to third parties would generally attract a licensing requirement.

Professional exemption

- 5.9 If you are a solicitor, a counsel or a professional accountant, you are not required to be licensed for Type 4 (advising on securities), Type 5 (advising on futures contracts), Type 6 (advising on corporate finance) or Type 9 (asset management) regulated activity if you provide such advice or services wholly incidental to your practice as a solicitor, a counsel or a professional accountant.

Broadcaster/Journalist exemption

5.10 If you give advice on securities, futures contracts or corporate finance or issue related analyses or reports through:-

- ❖ a newspaper, magazine, book or other publication which is made generally available to the public; or
- ❖ television broadcast or radio broadcast for reception by the public, whether on subscription or otherwise,

you are not required to be licensed for Type 4, Type 5 or Type 6 regulated activity (as the case may be).

Trust company exemption

In relation to dealing in securities

5.11 If you are a trust company registered under Part VIII of the Trustee Ordinance, you are not required to be licensed for Type 1 regulated activity (dealing in securities) if you act as an agent for a collective investment scheme to distribute application forms, redemption notices, conversion notices and contract notes, and/or receive money and issue receipts on behalf of your principal.

In relation to investment advisory activities

5.12 As a trust company, you are not required to be licensed for Type 4 (advising on securities), Type 5 (advising on futures contracts), Type 6 (advising on corporate finance) or Type 9 (asset management) regulated activity if you provide such investment advice or services wholly incidental to your discharge of your duty as a trustee.

Leveraged foreign exchange trading exemption

- 5.13 The SFO provides a number of exclusions in the definition of “leveraged foreign exchange trading” (see **Appendix B**). For example, if you are an authorized financial institution, you are not required to be registered for Type 3 regulated activity (leveraged foreign exchange trading) in order to carry out such activity.
- 5.14 The *Securities and Futures (Leveraged Foreign Exchange Trading – Exemption) Rules* set out the requirements and conditions in applying the exemption provided in paragraph (xiii) of the definition of “leveraged foreign exchange trading” of Schedule 5 to the SFO. Please refer to the provisions of the *Rules* for details.

Part 6 Basic approval criteria

Fit and proper

6.1 The SFC is obliged to refuse to grant a licence or registration if the applicant fails to satisfy the SFC that he is fit and proper. Pursuant to section 129 of the SFO, in considering whether a person is fit and proper for the purposes of licensing or registration, the SFC shall, in addition to any other matter that the SFC may consider relevant, have regard to the following:-

- ❖ financial status or solvency,
- ❖ educational or other qualifications or experience having regard to the nature of the functions to be performed,
- ❖ ability to carry on the regulated activity concerned competently, honestly and fairly, and
- ❖ reputation, character, reliability and financial integrity

of the applicant and other relevant persons as appropriate.

6.2 The above criteria serve as the fundamental basis when the SFC considers each licence or registration application. For further elaboration of these attributes, you may wish to refer to the *Fit and Proper Guidelines* and the *Guidelines on Competence* published by the SFC.

6.3 As a general overview, we set out below the aspects that an applicant normally needs to satisfy so as to get a licence or registration.

6.4 If you apply to be a licensed corporation

Incorporated

- 6.4.1 You must be a company incorporated⁹ in Hong Kong or an overseas company registered with the Companies Registry of Hong Kong.

Competence

- 6.4.2 You have to satisfy the SFC that you have proper business structure, good internal control systems and qualified personnel to ensure the proper management of risks that you will encounter in carrying on your proposed business as detailed in your business plan. Please refer to the following publications of the SFC for more information:-

- ❖ *Guidelines on Competence*;
- ❖ *Code of Conduct for Persons Licensed by or Registered with the SFC*; and
- ❖ *Management, Supervision and Internal Control Guidelines for Persons Licensed by or Registered with the SFC*.

Responsible officers

- 6.4.3 You should appoint not less than 2 responsible officers to directly supervise the conduct of each regulated activity you apply.
- 6.4.4 For each regulated activity you apply, you should have at least one responsible officer available at all times to supervise the business. The same individual may be appointed to be a responsible officer for more than one regulated activity provided that he is fit and proper to be so appointed and there is no conflict in the roles assumed.

⁹ Sole proprietorship or partnership is not an acceptable form of business structure for the purposes of licensing.

- 6.4.5 At least one of your proposed responsible officers must be an executive director⁴ as defined under the SFO.
- 6.4.6 All your executive directors⁴ must seek the SFC's approval as responsible officers accredited to your corporation.
- 6.4.7 All applications for approval as responsible officers should be lodged with the SFC for consideration together with your licence application.

Substantial shareholders, etc. to be fit and proper

- 6.4.8 Your substantial shareholders (see paragraph 9.13), officers¹⁰ and any other person who is or is to be employed by, or associated with, you for the purposes of the regulated activity for which the application is made shall be fit and proper. Please refer to section 129 of the SFO for details.

Financial resources

- 6.4.9 Depending on the type(s) of regulated activity that you apply for, you have to maintain at all times paid-up share capital and liquid capital not less than the specified amounts according to the *Securities and Futures (Financial Resources) Rules*. If you apply for more than one type of regulated activity, the minimum paid-up share capital and liquid capital that you should maintain shall be the higher or the highest amount required amongst those regulated activities you apply for.

¹⁰ "Officer", in relation to a corporation, means a director, manager or secretary of, or any other person involved in the management of, the corporation.

As defined in Part 1 of Schedule 1 to the SFO, "director" includes a shadow director and any person occupying the position of director by whatever name called. "Shadow director" means a person in accordance with whose directions or instructions the directors of a corporation are accustomed or obliged to act, but a person shall not be regarded as a shadow director by reason only of the fact that the directors act on advice given by him in a professional capacity.

6.4.10 **Table 1** summarizes the minimum paid-up capital and liquid capital that a licensed corporation is required to maintain for each type of regulated activity.

6.4.11 Please refer to the *Securities and Futures (Financial Resources) Rules* for more information on financial resources requirements, e.g. the computation of liquid capital.

Insurance

6.4.12 The *Securities and Futures (Insurance) Rules* set out the insurance requirements applicable to corporations licensed for certain regulated activities. Subject to the exemption mentioned in paragraph 6.4.13, if you are licensed for Type 1 (dealing in securities), Type 2 (dealing in futures contract) or Type 8 (securities margin financing) regulated activity, you are required to take out and maintain insurance against specific risks for specified amount when the SFC approves a master policy of insurance applicable to you.

- 6.4.13 You are exempted from the above requirement if you are not an exchange participant and your licence is subject to a condition that you shall not hold client assets.
- 6.4.14 Until the printing of this Booklet, the SFC has approved only one master policy of insurance applicable to corporations which are stock exchange participants licensed for Type 1 regulated activity (dealing in securities). Licensed corporations other than stock exchange participants licensed for Type 1 regulated activity are currently not required to take out insurance under the *Securities and Futures (Insurance) Rules*. For updated information, please refer to the *Regulatory Handbook (Part A of Volume 2 – Licensing of Intermediaries and Continuing Obligations of Licensed Persons)* posted on the SFC's web site.
- 6.4.15 If you wish to apply for Type 1 regulated activity (dealing in securities) and intend to be a stock exchange participant, you should be prepared to take out insurance under the approved master policy. Related administrative matters are being dealt with by the appointed insurance broker. Contact information of the insurance broker is available on the SFC's web site under *Frequently Asked Questions*.
- 6.4.16 Please refer to the *Securities and Futures (Insurance) Rules* for more information.

6.5 **If you apply to be a temporary licensed corporation**

Similar role overseas

6.5.1 You should be carrying on a business principally outside Hong Kong in an activity which, if carried on in Hong Kong, would constitute a regulated activity. You seek to be licensed for the regulated activity solely for carrying on in Hong Kong such business in the activity. In addition, you are authorized by a relevant regulatory organization in your home jurisdiction to carry on such business in that place.

Restriction on types of regulated activity

6.5.2 A temporary licence holder may carry on one or more than one of the following regulated activities only:-

- ❖ Type 1 (dealing in securities)
- ❖ Type 2 (dealing in futures contracts)
- ❖ Type 4 (advising on securities)
- ❖ Type 5 (advising on futures contracts)
- ❖ Type 6 (advising on corporate finance)

Cannot hold client assets

6.5.3 You cannot hold any client assets in carrying on the regulated activity you apply to be licensed.

Supervision of business

- 6.5.6 You are required to nominate at least one individual for approval by the SFC for the purposes of section 117(5)(a). That individual shall be available at all times to supervise the business of regulated activity for which you apply to be licensed.

Substantial shareholders, etc. to be fit and proper

- 6.5.7 The same requirements as mentioned in paragraph 6.4.8 apply to you.

6.6 If you apply to be a licensed representative and approved as a responsible officer

Sufficient authority

- 6.6.1 You should have sufficient authority to supervise the business of regulated activity within the licensed corporation that you will be accredited to.
- 6.6.2 You may or may not be a director of the licensed corporation. However, if you are a director of the corporation and actively participate or directly supervise the business of regulated activity, you must apply to become a responsible officer of that corporation in respect of the regulated activity concerned (see paragraphs 6.4.3 to 6.4.7).

Competence

- 6.6.3 You should possess appropriate ability, skills, knowledge and experience to properly manage and supervise the corporation's business of regulated activities. Basically, you have to fulfil four elements mentioned in **Table 2** to be approved as a responsible officer.

Table 2 – Test of competence for responsible officers

| Basic elements | | | Can be compensated by |

Experience gained in Hong Kong or elsewhere that is closely related to the functions to be performed will be recognized.

| Basic elements | | | Can be compensated by |
|----------------|------------------------------|--|--|

| (4) | Regulatory knowledge | Passed one of the recognized local regulatory framework papers | Applicant may apply for exemption from taking the recognized local regulatory framework paper if he satisfies the exemption criteria as set out in Appendix E of the <i>Guidelines on Competence</i> . |

6.6.4 If you intend to conduct regulated activities in relation to matters falling within the ambit of a particular code issued by the SFC, e.g. the *Codes on Takeovers and Mergers and Share Repurchases*, the *Code on Real Estate Investment Trusts*, additional competence requirements specific to that field would apply.

6.6.5 Please refer to the *Guidelines on Competence* issued by the SFC and related *Frequently Asked Questions* posted on the SFC's web site for more information.

6.7 **If you apply to be a licensed representative (other than a responsible officer)**

Competence

6.7.1 You have to establish that you have the requisite basic understanding of the market in which you are to work as well as the laws and regulatory requirements applicable to the industry. In assessing your competence to be licensed as a representative, the SFC will have regard to three basic elements mentioned in **Table 3**.

Table 3 – Test of competence for representatives

| Basic elements | | | Can be compensated by |
|----------------|-------------------------------|--|---|
| (1) | Academic qualification | Passes in English or Chinese, and Mathematics in HKCEE or equivalent ¹⁵ | <ul style="list-style-type: none"> ❖ Degree in Accounting, Business Administration, Economics, Finance or Law; or other degree (with passes in at least two courses in the above disciplines); or ❖ Internationally recognized professional qualifications in Law, Accounting or Finance¹⁴; or ❖ An additional 2 years of relevant industry experience for lacking either (1) or (2); or ❖ An additional 5 years of relevant industry experience for lacking both (1) and (2). |
| (2) | Industry qualification | Passed one of the recognized industry qualifications | |
| (3) | Regulatory knowledge | Passed one of the recognized local regulatory framework papers | Applicant may apply for exemption from taking the recognized local regulatory framework paper if he satisfies the exemption criteria as set out in Appendix E of the <i>Guidelines on Competence</i> . |

Note: A representative licensed for Type 3 regulated activity (leveraged foreign exchange trading) who handles discretionary account activities has to obtain an additional 3 years of direct foreign exchange trading experience in the inter-bank foreign exchange market or currency futures market, or its equivalent over the past 6 years.

6.7.2 Please refer to the *Guidelines on Competence* issued by the SFC and related *Frequently Asked Questions* posted on the SFC's web site for more information.

6.8 If you apply to be a provisional licensed representative....

- 6.8.1 You should have submitted your application to be a normal licensed representative. The same requirements for licensed representatives as described in paragraph 6.7.1 apply to you.
- 6.8.2 The SFC may grant you a provisional licence to carry on regulated activity as a representative if it is satisfied that you are fit and proper and that the grant of the provisional licence will not prejudice the interest of the investing public.
- 6.8.3 An additional fee of \$800 for the provisional licence is required.
- 6.8.4 Your provisional licence, if granted, will be deemed to have been revoked when your application to be a normal licensed representative is approved or refused, whichever first occurs.

6.9 If you apply to be a temporary licensed representative....

Similar role overseas

- 6.9.1 You should carry on in a place outside Hong Kong an activity which, if carried on in Hong Kong, would constitute carrying on a regulated activity, under an authorization by a regulatory organization in that place.

Accreditation to a licensed corporation

- 6.9.2 You must be accredited to a licensed corporation described in paragraph 6.4 or a temporary licensed corporation described in paragraph 6.5. If you intend to be accredited to a corporation licensed under section 116 of the SFO (i.e. a licensed corporation described in paragraph 6.4), that licensed corporation needs to be of

the same group of companies as your principal in your home jurisdiction. Where you intend to be accredited to a corporation licensed under section 117 of the SFO (i.e. a temporary licensed corporation described in paragraph 6.5), you seek to be licensed as a temporary representative solely for the conduct of your principal's business in the activity referred to in its licence application.

Restriction on types of regulated activity

- 6.9.3 A temporary licence holder may carry on one or more than one of the following regulated activities only:-
- ❖ Type 1 (dealing in securities)
 - ❖ Type 2 (dealing in futures contracts)
 - ❖ Type 4 (advising on securities)
 - ❖ Type 5 (advising on futures contracts)
 - ❖ Type 6 (advising on corporate finance)

Cannot hold client assets

- 6.9.4 You cannot hold any client assets in carrying on the regulated activity you apply to be licensed.

Licensed period

- 6.9.5 Your temporary licence, if granted, will be for a duration of not more than 3 months at any one time.
- 6.9.6 You will not be granted temporary licences for more than 6 months in total within any period of 24 months.

6.10 **If you apply to be a registered institution**

Authorized institution

6.10.1 You must be an authorized financial institution¹. It is desirable that you notify the HKMA before submitting an application for registration to the SFC.

Executive officers

6.10.2 You should appoint not less than 2 executive officers responsible for directly supervising the conduct of each regulated activity you apply.

6.10.3 For each regulated activity you apply, you should have at least one executive officer available at all times to supervise the business. The same individual may be appointed to be an executive officer for more than one regulated activity provided that he is fit and proper to be so appointed and there is no conflict in the roles assumed.

6.10.4 An executive officer is a person who has obtained the consent of the HKMA to act in such capacity under the Banking Ordinance. The HKMA is obliged to refuse to give that consent unless it is satisfied that the individual is a fit and proper person and has sufficient authority to be an executive officer of the registered institution concerned.

6.10.5 Executive officers are expected to meet the same competence requirements as responsible officers of licensed corporations described in paragraphs 6.6.3 and 6.6.4.

Relevant individuals

- 6.10.6 Individuals engaged to carry on regulated activity on your behalf are regarded as relevant individuals¹⁷. They are not required to be registered or licensed with the SFC, but their names and certain particulars have to be entered in the register maintained by the HKMA.
- 6.10.7 It is a statutory condition of registration for every registered institution that its relevant individuals are fit and proper. In relation to competence requirements, executive officers are expected to meet the same requirements as responsible officers of licensed corporations (as mentioned in paragraph 6.10.5) while other relevant individuals are expected to meet the same competence requirements as licensed representatives (see paragraph 6.7.1).

Substantial shareholders, etc. to be fit and proper

- 6.10.8 Your substantial shareholders, directors, chief executive, managers (as defined in section 2(1) of the Banking Ordinance), executive officers and any other person who will be acting for or on behalf of you in relation to the regulated activity for which the application is made shall be fit and proper. Please refer to section 129 of the SFO for details.

¹⁷ “Relevant individual”, in relation to a registered institution, means an individual who performs for or on behalf of or by an arrangement with the institution any regulated function in a regulated activity. Please refer to Footnote 3 for the definition of “regulated function”.

You can only act for such corporation(s) in carrying out your licensed regulated activity or activities for which each of the corporations is also licensed.

Cessation of accreditation

Part 9 Notification of changes and other applications

Notification by licensed corporations, licensed representatives and registered institutions

- 9.1 In relation to licensing and registration matters, section 135 of the SFO sets out the events for which notification by licensed persons and registered institutions is required. Apart from notifying any intended cessation of business as mentioned in paragraphs 8.6 and 8.14, licensed persons and registered institutions are required to notify the SFC of certain changes in the information that they have provided to the SFC in their initial applications. In the case of registered institutions, the notification should be made to both the SFC and the HKMA. The changes requiring notification are specified in section 135 of the SFO and Parts 1 to 3 of Schedule 3 to the *Securities and Futures (Licensing and Registration) (Information) Rules*. Some examples are described in **Table 4** below.

Notification by directors and substantial shareholders of licensed corporations

- 9.2 A director of a licensed corporation should notify the SFC of his becoming or ceasing to be a director of the corporation within 7 business days after the event takes place (section 135(6) of the SFO).

Notification by associated entities of intermediaries

- 9.4 An associated entity²¹ of an intermediary is required to notify the SFC within 7 business days of its becoming an associated entity and ceasing to be an associated entity (section 165 of the SFO). The particulars required for notification are set out in sections 3 and 4 of the *Securities and Futures (Associated Entities – Notice) Rules*. Where there is any change in the particulars notified, the associated entity shall within 7 business days thereafter notify the SFC of such change by completing Form 6.
- 9.5 Furthermore, section 155(1)(b) of the SFO requires that an associated entity shall notify the SFC of its financial year end within one month after it becomes such an associated entity. This requirement however does not apply to an associated entity which is an authorized financial institution.

Examples of changes that require notification

- 9.6 Some of the more common change events that require notification are shown in **Table 4**. For details of the notification requirements, you should refer to relevant provisions of the SFO and its subsidiary legislation.

²¹ “Associated entity”, in relation to an intermediary, means a company, or an overseas company complying with the provisions of Part XI of the Companies Ordinance relating to the registration of documents, which –

- (a) is in a controlling entity relationship with the intermediary; and

New premises to be used for keeping records or documents

- 10.5 Licensed corporations are required to submit **monthly** financial resources returns to the SFC except for those corporations licensed for only Type 4, Type 5, Type 6 and/or Type 9 regulated activities and their licences are subject to the condition that they shall not hold client assets. Appendix C Provision of financial information on the Internet or on-line trading services

1. Periodical publication exemption

The definitions for “advising on corporate finance”, “advising on securities”, and “advising on futures contracts” in Schedule 5 to the SFO provide a specific exclusion for a person giving advice through a newspaper, magazine, book or other publication which is made generally available to the public (see **Appendix B** and paragraph 5.10 of this Booklet). Internet publications may rely on this licensing exemption if they are able to satisfy the requirements of the provisions.

2. Providing generic factual market information

The ambit of “advising on securities” or “advising on futures contracts” as provided in Schedule 5 to the SFO is broad. In the present context, the licensing requirement should not generally be extended to cover activities concerned solely with the provision of generic factual market information (whether or not through the Internet) where no recommendation on specific securities/futures contracts or investment advice has been made, or to cover the reproduction of the entire research reports of persons licensed by or registered with the SFC.

3. Hyperlinks to other financial web sites

The mere presence of hyperlinks, notwithstanding the links may be with a licensed or registered person, does not of itself trigger a licensing requirement. However, the presence of any inducement, or invitation, to visit the related sites through the links concerned may mean a licence or registration is required. It should be noted that effecting an introduction of a client to a securities/futures/leveraged

foreign exchange dealer or his representative in return for a commission, rebate or other remuneration may constitute a regulated activity, for which a licence or registration may be required.

4. Providing analytical tools

Analytical tools facilitating the making of investment decisions are often available from financial information web sites. In general, where the tools are able to identify a variety of investment possibilities or recommendations presenting different choices to users, the providers of such tools would be regarded as “advising on securities” or “advising on futures contracts”. An example would be an analytical tool able to make specific recommendations on the basis of the investment profile (such as risk aversion, age or projected cash flow) as determined by the user. However, the mere provision of analytical tools which solely filter publicly available data in a transparent process does not constitute an advisory activity. For example, the provision of a computer programme that identifies stocks of a particular industry sector having price earning ratios below a predetermined level, or that identifies investment funds having past annual returns above a predetermined level, should not trigger a licensing requirement.

5. Providing automated trading services (“ATS”)

A corporation that provides ATS as defined in Schedule 5 to the SFO shall either be authorized to provide ATS under Part III of the SFO, or licensed or registered under Part V of the SFO. As a general practice, if that corporation is already an intermediary in respect of other type(s) of regulated activity, it would need to be licensed or registered for Type 7 under Part V of the SFO. An intermediary wishing to submit such application should first read the *Guidelines for the Regulation of Automated Trading Services* and consult its professional advisors on related business proposal where necessary.

Order routing facilities

It should be noted that the provision of electronic order routing facilities generally would not be regarded as Type 7 regulated activity. If an intermediary intends to conduct dealing activities in the form of pure order routing via the Internet, it is required to:-

- (1) inform the SFC in writing of such intention and provide relevant documents to the SFC including a business plan, a description of the computer system, account opening procedures, security measures and information pertaining to the experience and qualifications of the personnel in charge of the proposed services, etc;
- (2) arrange a demonstration to the SFC in respect of the related business operations when ready; and
- (3) notify the SFC in writing the effective date of launching such Internet services and the address of the web site.

An intermediary is responsible for ensuring that the order routing services or other electronic services that it wishes to provide do not fall within the definition of “providing ATS” under Schedule 5 to the SFO. If the services do fall within the definition, the intermediary would need to be licensed or registered for Type 7 regulated activity (as the case may be).
