1. INTRODUCTION

On 3 July 2025, the Offeror and the Bank jointly announced that (i) CICC, on behalf of the Offeror, will make a voluntary conditional general cash offer to acquire all of the issued H Shares at the H Share Offer Price of HK\$0.70 per H Share, and (ii) the Offeror will make a voluntary conditional general cash offer to acquire all of the issued Domestic Shares at the Domestic Share Offer Price of RMB0.63 per Domestic Share.

This letter forms part of this Composite Document and sets out information on the Offeror, the reasons for making the Offers and the intentions of the Offeror in relation to the Bank. The terms of the Offers are set out in this letter, Appendix I to this Composite Document and in the accompanying Forms of Acceptance.

Your attention is also drawn to the letter from the Board on pages 20 to 27, the letter from the Independent Board Committee on pages 28 to 30 and the letter from Gram Capital on pages 31 to 57 of this Composite Document.

Terms defined in this Composite Document have the same meanings in this letter unless the context otherwise requires.

2. THE OFFERS

For each H Share, the H Share Offer Price is HK\$0.70 in cash.

For each Domestic Share, the Domestic Share Offer Price, which is equivalent to the H Share Offer Price at the Exchange Rate is RMB0.63 in cash.

The Offeror will not increase the Offer Price, and the Offeror does not reserve the right to do so. Shareholders and potential investors should be aware that, following the making of this statement, the Offeror will not be allowed to increase the H Share Offer Price and the Domestic Share Offer Price.

If any dividend, other distribution or return of capital (whether in cash or in kind) is announced, declared, made or paid in respect of the Shares after the date of the Announcement, the Offeror shall reduce the Offer Price by all or any part of the amount or value of such dividend, other distribution and/or return of capital, in which case any reference in the Announcement, this Composite Document or any other announcement or document to the Offer Price will be deemed to be a reference to the Offer Price as so reduced. Any such reduction will only apply to those Shares in respect of which the Offeror will not be entitled to the relevant dividend, distribution and/or return of capital. As at the Latest Practicable Date, no dividend, other distribution or return of capital in respect of the Shares has been announced, declared or made but not paid to the Shareholders generally. The Bank has confirmed that it does not intend to announce, declare, make or pay any dividend, other distribution or return of capital during the Offer Period.

The Offers are made in compliance with the Takeovers Code. The Offer Shares to be acquired under the Offers shall be fully paid and shall be acquired free from all liens, charges, encumbrances, pre-emptive rights and any other third party rights of any nature and together with all rights and benefits attaching to them or subsequently becoming attached to them, including the right to receive all dividends, other distributions and return of capital, if any, announced, declared, made or paid after the date on which such Offer Shares are transferred to the Offeror (or such later time and/or date as the Offeror may decide, subject to the requirements of the Takeovers Code).

3. CONDITIONS TO THE OFFERS

The H Share Offer is subject to the fulfilment or (if capable of being waived) waiver of the following Conditions:

- (a) the passing of a resolution by the Independent H Shareholders approving the Delisting at the H Share Class Meeting to be convened for this purpose, provided that:
 - (i) approval is given by at least 75% of the votes (by way of poll) attaching to the H Shares held by the Independent H Shareholders present that are cast either in person or by proxy; and
 - (ii) the number of votes cast (by way of poll) against the resolution is not more than 10% of the votes attaching to all the H Shares held by the Independent H Shareholders;

- (b) the passing of a special resolution by not less than two-thirds of the votes cast by way of poll by the Shareholders with voting rights present and voting in person or by proxy at the Extraordinary General Meeting approving the Delisting;
- (c) valid acceptances of the H Share Offer and the Domestic Share Offer having been received (and not, where permitted, withdrawn) by 4:00 p.m. on or prior to the Offer Closing Date (or such later time and/or date as the Offeror may decide, subject to the requirements of the Takeovers Code) in respect of such number of H Shares and Domestic Shares which, together with the Shares already held by the Offeror and the Concert Parties, would result in the Offeror and the Concert Parties holding more than 50% of the voting rights in the Bank;
- (d) valid acceptances of the H Share Offer having been received (and not, where permitted, withdrawn) by 4:00 p.m. on or prior to the Offer Closing Date (or such later time and/or date as the Offeror may decide, subject to the requirements of the Takeovers Code) in respect of such number of H Shares which is not less than 90% of the issued H Shares held by the Independent H Shareholders;
- (e) the granting of the waiver by the Executive from the requirements under Rule 2.2(c) of the Takeovers Code;
- (f) no event having occurred or existing (including any law, order, action, proceeding, suit or investigation instituted or taken by the Relevant Authorities) which would make the H Share Offer void, unenforceable, illegal, impracticable or would prohibit implementation of the H Share Offer or impose any material and adverse conditions or obligations with respect to the H Share Offer;
- (g) there having been no material adverse change in the business, assets, financial or trading positions or prospects or conditions of the Group since the date of the Announcement; and
- (h) the granting of the waiver, if applied for, by the Executive from the requirements under Rule 20.1 of the Takeovers Code in respect of the Domestic Share Offer.

Conditions (f), (g) and (h) to the H Share Offer may be waived, either in whole or in part, either generally or in respect of any particular matter, at the sole discretion of the Offeror. Conditions (a) to (e) to the H Share Offer may not be waived in any event. If any of the Conditions is not satisfied or waived (as applicable) on or before the Completion Long Stop Date, the H Share Offer will lapse, and Shareholders will be notified by the Bank by way of a further announcement as soon as practicable thereafter. The Offeror confirms that it will not waive Condition (h) to the H Share Offer.

Pursuant to Note 2 to Rule 30.1 of the Takeovers Code, the Offeror may only invoke any of the Conditions, other than Conditions (a) to (e) to the H Share Offer above, as a basis for not proceeding with the H Share Offer if the circumstances which give rise to the right to invoke any of the Conditions are of material significance to the Offeror in the context of the H Share Offer.

As at the Latest Practicable Date, the filing, registration or approval, as applicable, with or by (i) DRC and (ii) SAFE in relation to the Offers have been completed and remain in full force and effect pursuant to the provisions of relevant laws and regulations in the PRC.

In addition to the Conditions, the Offers are made on the basis that acceptance of the Offers by any person will constitute a warranty by such person or persons to the Offeror that the Offer Shares, when acquired (for avoidance of doubt, no later than 4:00 p.m. on Offer Closing Date (or such later time and/or date as the Offeror may decide, subject to the requirements of the Takeovers Code)), would be acquired by the Offeror and would be sold by such person or persons free from all liens, charges, encumbrances, pre-emptive rights and any other third party rights of any nature and together with all rights and benefits attaching to them as at the date on which such Offer Shares are transferred to the Offeror or subsequently becoming attached to them, including the right to receive all dividends, other distributions and return of capital, if any, announced, declared, made or paid after the date on which such Offer Shares are transferred to the Offeror.

The H Share Offer will initially be open for acceptances for at least 21 calendar days from the date of this Composite Document (the First Closing Date now being 24 October 2025). Once all of the Conditions have been either satisfied or waived (if applicable), the H Share Offer will be declared unconditional and the H Share Offer will be extended for a subsequent period until 28 calendar days after the H Share Offer is declared unconditional (which is 14 days longer than the 14 calendar days normally required by Rule 15.3 of the Takeovers Code pursuant to Note (i) to Rule 2.2 of the Takeovers Code) before the H Share Offer is closed in order to allow sufficient time for those H Shareholders who have not initially accepted the H Share Offer to accept the H Share Offer to process the transfer of their H Shares.

The Domestic Share Offer is subject to the H Share Offer becoming or being declared unconditional in all respects. This condition cannot be waived in any event.

WARNING: Completion of the Offers is subject to the Conditions being fulfilled or waived (as applicable). The issue of this Composite Document does not in any way imply that the Offers will be completed. The Offers may or may not become unconditional and will lapse if they do not become unconditional. Accordingly, Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Bank. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional adviser.

4. DELISTING

Subject to the H Share Offer becoming unconditional (including, amongst others, the approval of the Delisting by the Shareholders at the Extraordinary General Meeting and the approval of the Delisting by the Independent H Shareholders at the H Share Class Meeting), the Bank will make an application for the Delisting in accordance with Rule 6.12 of the Listing Rules.

The Offeror has no rights under the laws of the PRC and the articles of association of the Bank to compulsorily acquire the H Shares that are not tendered for acceptance pursuant to the H Share Offer. Accordingly, the Independent H Shareholders are reminded that if they do not

accept the H Share Offer and the H Share Offer subsequently becomes unconditional in all respects, and the H Shares are delisted from the Stock Exchange, this will result in them holding securities that are not listed on the Stock Exchange or any other stock exchanges and the liquidity of such securities may be severely reduced. In addition, the Bank will no longer be subject to the requirements under the Listing Rules, and may or may not continue to be subject to the Takeovers Code after the completion of the H Share Offer depending on whether it remains as a public company in Hong Kong for the purposes of the Takeovers Code thereafter.

Independent H Shareholders should also note that if they do not agree to the Offers, they can vote against the Delisting at the H Share Class Meeting and/or the Extraordinary General Meeting. If the number of votes cast, by way of poll, against the Delisting at the H Share Class Meeting is more than 10% of the votes attaching to all the H Shares held by the Independent H Shareholders, the Offers would not become unconditional and the Bank would remain listed on the Stock Exchange.

If the H Share Offer is completed, the H Shareholders will be notified by way of an announcement of the dates of the last day for dealing in the H Shares and on which the Delisting will become effective.

The Offeror has applied to the Executive for, and the Executive has indicated that it is minded to grant, a waiver from the requirements under Rule 2.2(c) of the Takeovers Code, which requires a resolution to approve a delisting to be made subject to the relevant offeror(s) being entitled to exercise, and exercising, its rights of compulsory acquisition.

5. VALUE OF THE OFFERS

The H Share Offer Price of HK\$0.70:

- (a) represents a premium of approximately 70.73% over the closing price of HK\$0.41 per H Share as quoted on the Stock Exchange on the Last Trading Date;
- (b) represents a premium of approximately 60.86% over the average closing price of approximately HK\$0.44 per H Share, being the average closing price of the H Shares as quoted on the Stock Exchange for the 30 trading days immediately prior to and including the Last Trading Date;
- (c) represents a premium of approximately 42.93% over the average closing price of approximately HK\$0.49 per H Share, being the average closing price of the H Shares as quoted on the Stock Exchange for the 60 trading days immediately prior to and including the Last Trading Date;
- (d) represents a premium of approximately 8.82% over the average closing price of approximately HK\$0.64 per H Share, being the average closing price of the H Shares as quoted on the Stock Exchange for the 90 trading days immediately prior to and including the Last Trading Date; and

The H Shares have been suspended from trading on the Stock Exchange from 9:00 a.m. on 12 March 2025, and as at the Latest Practicable Date, the H Shares were still suspended from trading on the Stock Exchange. During the Last Trading Period, the highest closing price of H Shares as quoted on the Stock Exchange was HK\$1.44 per H Share on 22 October 2024, and the lowest closing price of H Shares as quoted on the Stock Exchange was HK\$0.33 per H Share on 13 January 2025.

Confirmation of financial resources

Assuming full acceptance of the Offers, the aggregate cash consideration payable by the Offeror under the Offers will amount to approximately HK\$676,550,778.40 in respect of the H Share Offer and RMB2,587,844,987.91 in respect of the Domestic Share Offer.

As at the Latest Practicable Date, the Bank does not have any outstanding options, warrants, derivatives and securities which are convertible or exchangeable into Shares, nor has it entered into any agreement for the issue of such options, warrants, derivatives or securities which are convertible or exchangeable into Shares.

GrandLume, a wholly-owned subsidiary of the Offeror, has undertaken with the Offeror to pay on its behalf the cash consideration payable under the H Share Offer. The consideration payable under the Offers will be financed by the Offeror's own resources and/or external financing.

The Offeror has appointed CICC as its financial adviser in respect of the Offers. CICC, the financial adviser to the Offeror, is satisfied that sufficient financial resources are available to the Offeror to satisfy its payment obligations on full acceptance of the Offers in accordance with their terms.

6. INFORMATION ON THE OFFEROR

The Offeror is a joint stock company incorporated in the PRC with limited liability on 16 February 2015. Its scope of business includes: investment and operation in financial and quasi-financial businesses including banking, securities, insurance, trust, funds, guarantees, bills, financial leasing, technology finance, financial assets, technology, property rights transactions, quasi-financial business investment and operation; investment consulting and investment management (excluding wealth management, illegal fundraising, illegal deposit-taking, lending, and similar activities); real estate development, sales, leasing, management primarily and financial back-office services for the construction of regional financial centers. (Projects subject to approval according to law may only commence business activities after obtaining approval from the relevant authorities.) Since the date of the Announcement, the shareholding structure of the Offeror has been further updated. The

controlling shareholder of the Offeror is the Jilin Province Department of Finance, which directly and indirectly holds approximately 98.94% of the shares in the Offeror as at the Latest Practicable Date. The remaining shares in the Offeror are held by Changfa Financial Holding (Changchun) Co., Ltd., a state-owned enterprise, which directly holds approximately 1.06% of the shares in the Offeror as at the Latest Practicable Date.

7. REASONS AND BENEFITS OF THE OFFERS

The H Shares have been trading within the price range of HK\$0.33 to HK\$0.50 in the 46 trading days in 2025 before the suspension of the trading of H Shares. In 2025, the global economy sought a moderate recovery amid uncertainties. From January 2 to March 11, 2025 (The Bank's last trading day), the Hang Seng Index (HSI.HI) rose by 21.19%, and the Hang Seng Mainland Banks Index (HSMBI.HI) increased by 14.59%. During the same period, however, the Bank's stock price declined, with a cumulative drop of 6.82%. Its daily average trading volume accounted for only 0.13% of its total issued H Shares, reflecting a decline in investors' confidence. As a result, the ability of the Bank to raise funds effectively from the equity market is extremely limited and the current listing status no longer provides a viable financing channel to the Bank's operations. The trading volume in the H Shares has also been low. The average daily trading volume of the H Shares in the last 90 trading days, 180 trading days and 360 trading days up to and including the Last Trading Date represents only around 0.08%, 0.04% and 0.02% of the total issued H Shares. Upon implementation of the Offers, the H Shares will be delisted from the Stock Exchange, which is conducive to saving costs associated with compliance and maintaining of the listing status and provides room for operational adjustment. The Bank will also be able to redeploy the relevant resources used for maintaining the listing status to the Bank's operations.

The financial performance and position of the Bank has been deteriorating in recent years, and given the challenging business conditions, it is considered that the Bank would be better positioned for strategic adjustments to be made to its business, structure, and/or direction as a private company, as may be needed based on actual circumstances. Given that trading in the H Shares of the Bank on the Stock Exchange has been suspended since 12 March 2025, it is impossible for the H Shareholders to monetise their H Shares through the Stock Exchange. As disclosed in the Bank's announcement dated 31 March 2025, the publication of its audited financial results for the financial year ended 31 December 2024 will be delayed due to additional time being required for the Bank to collect and collate the information and documents for the auditor of the Bank to complete the audit procedures, and for the Bank to sort the basis for impairment provision for certain loans, and as at the Latest Practicable Date, the Bank and its auditors still could not ascertain the definitive timetable for publishing the aforementioned financial results. The Offeror believes that the Offers, if implemented, will provide an excellent opportunity for all Shareholders to exit their investment in a company which has remained suspended as at the Latest Practicable Date and to invest the monies received in alternative investments with higher liquidity.

8. INTENTIONS OF THE OFFEROR WITH REGARD TO THE GROUP

After the implementation of the Offers, the Offeror has no intention of listing the Shares in other markets. Considering that the Bank is a regional rural commercial bank mainly operating in Jilin Province, after delisting, it will continue to establish itself locally with specialized operations and

focus on its primary responsibilities and business. The Offeror may still, as needed based on actual circumstances, propose strategic adjustments to the business, structure, and/or direction of the Group. Save as disclosed above, the Offeror will strive to maintain the Bank's existing business as much as possible and has no intention to introduce major changes to the Bank's existing business (including redeploying fixed assets of the Bank).

The Offeror does not intend to make any significant changes to the continued employment of the employees of the Group. Following completion of the Offers, the employment contracts of all employees of the Group will continue.

9. GENERAL MATTERS RELATING TO THE OFFERS

Effect of accepting the Offers

By validly accepting the Offers, each Shareholder will sell to the Offeror their tendered Offer Shares and each Shareholder warrants to the Offeror that the Offer Shares, when acquired (for avoidance of doubt, no later than 4:00 p.m. on Offer Closing Date (or such later time and/or date as the Offeror may decide, subject to the requirements of the Takeovers Code)), would be acquired by the Offeror and would be sold by such Shareholder free from all liens, charges, encumbrances, pre-emptive rights and any other third party rights of any nature and together with all rights and benefits attaching to them as at the date on which such Offer Shares are transferred to the Offeror or subsequently becoming attached to them, including the right to receive all dividends, other distributions and return of capital, if any, announced, declared, made or paid after the date on which such Offer Shares are transferred to the Offeror.

Stamp duty, taxation and independent advice

Seller's ad valorem stamp duty at the rate of 0.10% of (i) the value of the consideration arising on acceptances of the H Share Offer payable by the Offeror or (ii) if higher, the market value of the relevant Offer Shares, will be payable by the H Shareholders who accept the H Share Offer (where the stamp duty calculated includes a fraction of HK\$1.00, the stamp duty would be rounded up to the nearest HK\$1.00). The relevant amount of stamp duty payable by the H Shareholders who accept the H Share Offer will be deducted from the consideration payable to them under the H Share Offer.

The Offeror will bear buyer's ad valorem stamp duty in respect of acceptances of the H Share Offer and will be responsible to account to the Stamp Office of Hong Kong for all the stamp duty payable for the sale and purchase of the H Shares in respect of which the H Share Offer is accepted.

A PRC stamp duty arising in connection with acceptances of the Domestic Share Offer will be payable by the relevant Shareholders and the Offeror respectively at a rate of 0.05% of the consideration in respect of the relevant acceptances of the Domestic Share Offer, in accordance with the Stamp Duty Law of the PRC.

Shareholders are recommended to consult their own professional advisers if they are in any doubt as to the taxation implications of accepting or rejecting the Offers. It is emphasised that none of the Offeror, the Bank, CICC and their respective ultimate beneficial owners, directors,

officers, agents, advisers or associates or any other person involved in the Offers accepts responsibility for any taxation effects on, or liabilities of, any persons as a result of their acceptance or rejection of the Offers.

Overseas Shareholders

If you are an overseas Shareholder, please see the important information in the section headed “Overseas Shareholders” in Appendix I to this Composite Document.

Settlement of consideration

Settlement of the consideration under the H Share Offer will be made as soon as possible, but in any event no later than seven (7) Business Days after the later of the Offer Unconditional Date and the date of receipt of a duly completed acceptance in respect of the H Share Offer. Relevant documents of title of the H Shares must be received by the Offeror to render such acceptance complete and valid.

As settlement of consideration under the Domestic Share Offer is subject to certain transfer and registration formalities and procedures imposed by CSDCC in the PRC, which may require cooperation by the Domestic Shareholders and are not within the control of the Offeror, as such settlement arrangements would require more than seven (7) Business Days to complete, the Offeror has applied to the Executive for, and the Executive has indicated that it is minded to grant, a waiver from strict compliance with Rule 20.1(a) of the Takeovers Code for the Domestic Share Offer.

Duly completed acceptance forms and the relevant documents in respect of such acceptance must be received by the Offeror to render such acceptance of the Domestic Share Offer complete and valid. Settlement of the consideration under the Domestic Share Offer will be made no later than seven (7) Business Days following the later of (i) the date on which the Domestic Share Offer becomes or is declared unconditional in all respects and (ii) the date on which the registration and transfer to the Offeror of all the Domestic Shares tendered for acceptance under the Domestic Share Offer by the relevant Domestic Shareholder has been completed.

No fractions of a cent will be payable and the amount of cash consideration payable to a Shareholder who validly accepts the Offers will be rounded up to the nearest cent.

For further information, please refer to the section headed “Settlement of the Offers” in Appendix I to this Composite Document.
