**INTRODUCTION**

We refer to the Composite Document jointly issued by the Company and the Offeror dated 27 February 2026 of which this letter forms part. Unless the context requires otherwise, capitalised terms used in this letter shall have the same meanings as those defined in the Composite Document.

We have been appointed by the Board to form the Independent Board Committee to consider the Offer and to advise to you as to, in our opinion, whether or not the Offer is fair and reasonable so far as the Independent Shareholders are concerned, and to make recommendation as to acceptance of the Offer after taking into account the advice from the Independent Financial Adviser. We have declared that we are independent and have no direct or indirect interests in the Offer, and therefore are able to consider the Offer and to make recommendations to the Independent Shareholders.

Amasse Capital Limited has been appointed with our approval as the Independent Financial Adviser to advise us and the Independent Shareholders in respect of the Offer, in particular, as to whether the Offer is, or is not, fair and reasonable, and as to the acceptance thereof. Your attention is drawn to the section headed “Letter from the Independent Financial Adviser” of the

Composite Document which contains the details of the Independent Financial Adviser's advice and the principal factors and reasons taken into consideration in arriving at its recommendation in respect of the Offer.

We also wish to draw your attention to the section headed "Letter from DL Securities" of the Composite Document, the section headed "Letter from the Board" of the Composite Document and the additional information set out in the Composite Document, including the appendices to the Composite Document and the accompanying Form of Acceptance in respect of the terms of the Offer and acceptance and settlement procedures for the Offer.

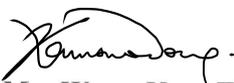

## RECOMMENDATION

Having taken into account the terms of the Offer and the independent advice from the Independent Financial Adviser, as well as the principal factors and reasons considered in arriving at its recommendation, we concur with the view of the Independent Financial Adviser and consider that the Offer is fair and reasonable. As such, we recommend the Independent Shareholders to accept the Offer.

The Independent Shareholders who wish to realise their investment in the Group are reminded that they should carefully and closely monitor the market price of the Shares during the Offer Period and consider selling their Shares in the open market during the Offer Period, rather than accepting the Offer, if the net proceeds from the sales of such Shares in the open market would exceed the net amount receivable under the Offer. In any event, the Independent Shareholders should note that there is no certainty that the current trading volume and/or current trading price level of the Shares will be sustainable during or after the Offer Period.

Notwithstanding our recommendation, the Independent Shareholders are strongly advised that the decision to realise or to hold your investment is subject to individual circumstances and investment objectives. If in doubt, the Independent Shareholders should consult your own professional advisers for professional advice. Furthermore, the Independent Shareholders who wish to accept the Offer are recommended to read carefully the terms and procedures for acceptance of the Offer as detailed in the Composite Document and the accompanying Form of Acceptance.

Yours faithfully,  
the Independent Board Committee
