1. GENERAL INFORMATION AND BASIS OF PREPARATION

Microware Group Limited (the "**Company**") was incorporated as an exempted company with limited liability in the Cayman Islands on 20 January 2016. The Group is principally engaged in the provision of information technology ("**IT**") infrastructure solution services and IT managed services in Hong Kong.

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") (the "Listing Rules").

The condensed consolidated financial statements are presented in Hong Kong dollar ("**HK\$**") which is also the functional currency of the Company.

2. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis.

Other than additional accounting policies resulting from application of amendments to Hong Kong Financial Reporting Standards ("**HKFRSs**"), the accounting policies and methods of computation used in the condensed consolidated financial statements for the six months ended 30 September 2024 are the same as those presented in the Group's annual financial statements for the year ended 31 March 2024.

Application of amendments to HKFRSs

In the current interim period, the Group has applied the following amendments to HKFRSs issued by the HKICPA, for the first time, which are mandatorily effective for the Group's annual period beginning on 1 January 2024 for the preparation of the Group's condensed consolidated financial statements:

Amendments to HKFRS 16
Amendments to HKAS 1

Amendments to HKAS 1
Amendments to HKAS 7 and HKFRS 7

Lease Liability in a Sale and Leaseback

Classification of Liabilities as Current or Non-current and related amendments to Hong Kong Interpretation 5 (2020)

Non-current Liabilities with Covenants Supplier Finance Arrangements

For the six months ended 30 September 2024

2. PRINCIPAL ACCOUNTING POLICIES (continued)

Application of amendments to HKFRSs (continued)

Except as described below, the application of the amendments to HKFRSs in the current interim period has had no material impact on the Group's financial positions and performance for the current and prior periods and/or on the disclosures set out in these condensed consolidated financial statements.

Sale and leaseback transactions

The Group as a seller-lessee

For a transfer that satisfies the requirements as a sale, the Group as a seller-lessee measures the right-of-use asset arising from the leaseback at the proportion of the previous carrying amount of the asset and recognises any gain or loss that relates to the rights transferred to the buyer-lessor only. Right-of-use asset and lease liability are subsequently measured in accordance with the general requirements under HKFRS 16 *Leases*. In measuring the lease liability, the Group determines "lease payments" or "revised lease payments" (including both lease payments that are fixed or variable) in a way that the Group would not recognise any amount of the gain or loss that relates to the right-of-use assets retained by the Group.

If the fair value of the consideration for the sale does not equal the fair value of the asset, or if the payments for the lease are not at market rates, the Group makes the following adjustments to measure the sale proceeds at fair value:

- (a) any below-market terms is accounted for as a prepayment of lease payments; and
- (b) any above-market terms is accounted for as additional financing provided by the buyer-lessor to the seller-lessee.

The application of the amendments has no material impact on the Group's financial position and performance.

Impacts of Amendments to HKAS 7 and HKFRS 7 Supplier Finance Arrangements

The Group will apply amendments to HKAS 7 and HKFRS 7 Supplier Finance Arrangements which are mandatorily effective for the Group's annual period beginning on 1 April 2024 for the preparation of the Group's consolidated financial statements for the year ending 31 March 2025.

The amendments add a disclosure objective to HKAS 7 Statement of Cash Flows stating that an entity is required to disclose information about its supplier finance arrangements that enables users of financial statements to assess the effects of those arrangements on the entity's liabilities and cash flows. In addition, HKFRS 7 Financial Instruments: Disclosures was amended to add supplier finance arrangements as an example within the requirements to disclose information about an entity's exposure to concentration of liquidity risk.

The application of the amendments is expected to affect the disclosures of the Group's liabilities, cash flows and the Group's exposure to liquidity risk related to the supplier finance arrangements entered into by the Group in the annual consolidated financial statements for the year ending 31 March 2025.
