- 4.1 The Rights Issue is only underwritten by the Joint Placing Agent on best effort basis, and the Company hereby irrevocably appoints the Joint Placing Agent to conduct the Rights Issue in accordance with this Agreement, with Joint Placing Agent placing up to 448,578,370 Rights Shares on best effort basis, though the Joint Placing Agent may, subject to having obtained the Company's prior written approval, agree with each other from time to time prior to the Latest Time for Acceptance to vary (or further vary, whichever shall be appropriate).
- 4.2 Pursuant to the Company's constitutional documents, there are no requirements for minimum levels of subscription in respect of the Rights Issue, and subject to fulfilment or satisfaction of the Conditions Precedent, the Rights Issue shall proceed regardless of its level of acceptances, and up to 448,578,370 Rights Shares are committed to be subscribed subject, however, to any Scaling-down *vis-a-vis* the MGO Obligation or the Public Float Requirement. In the event of under-subscription, any Rights Shares not taken up by the Qualifying Shareholders whether under PAL(s) or EAF(s), or transferees of nil-paid Rights Shares, and not subscribed by subscribers procured by the Joint Placing Agent will not be issued, and hence, the size of the Rights Issue will be reduced accordingly.
- 4.3 Further to Clauses 4.1 to 4.3, and subject to the satisfaction or fulfillment of the Conditions Precedent (save and except such Conditions Precedent which may have been waived by the Joint Placing Agent and the Company jointly in accordance with Clause 2.2):
- (1) the Company shall provisionally allot the Rights Shares to the Qualifying Shareholders at the Subscription Price, in the proportion of two (2) Rights Share for every one (1) Shares held at the close of business on the Record Date, by posting the Prospectus Documents to such Qualifying Shareholders by no later than the Prospectus Posting Date on the basis that payment for the Rights Shares shall be made in full on application not later than the Latest Time for Acceptance;
 - (2) the Company shall, by no later than the Prospectus Posting Date, post the Prospectus marked "**For information only**" and a letter in agreed form explaining the circumstances in which the Excluded Shareholders are not permitted to participate in the Rights Issue, without the PAL or the EAF, to the Excluded Shareholders;
 - (3) The Company shall procure that:
 - (i) HKSCC credits the stock accounts in CCASS of the Qualifying Shareholders who hold their Shares through CCASS in uncertificated form with their entitlements to Nil Paid Rights so that they are credited at 9:00 a.m. on the First Trading Date after the Prospectus Posting Date;

- (ii) neither any PAL nor any EAF Form are sent to the Excluded Shareholders; and
- (iii) the Prospectus Documents shall specify to the reasonable satisfaction of the Joint Placing Agent such procedures to ensure that the Nil Paid Rights are not taken up by or for the account of benefit of any person in the United States,

save that, in relation to Sub-Clauses (i) to (iii) above, the Company may also permit any other Shareholder(s) who holds Shares on the Record Date to take up his/her/its rights if such Shareholder(s) is/are able to demonstrate to the satisfaction of the Company and the Joint Placing Agent (or the Joint Placing Agent concerned, whichever shall be appropriate) that he/she/it may do so without contravening any registration or other legal requirements in any jurisdiction.

- (4) further, the Company shall comply with Clause 3.

4.4 Prior to the despatch of the Prospectus Documents, the Company shall deliver to the Joint Placing Agent:

- (a) the Verification Notes relating to the Prospectus Documents duly signed by or on behalf of the Directors; and
- (b) letter(s) from the auditors or reporting accountants of the Company, as appropriate, addressed to the Company reporting on or confirming the *pro forma* net tangible asset value of the Group, and where necessary, sufficiency of working capital of the Group, indebtedness statement and other financial information if and as required by the Stock Exchange or the SFC to be contained in the Prospectus Documents and consenting to the issue of the Prospectus Documents with the inclusion of their names and the references thereto in the form and context in which they are included.

4.5 The Company shall make the Excess Rights Shares available for subscription by the Qualifying Shareholders by means of Excess Application Form, and the Excess Rights Shares represent:

- (a) any nil-paid Rights Shares provisionally allotted but not accepted by any of the Qualifying Shareholders or otherwise subscribed for by transferees of nil-paid Rights Shares prior to the Latest Time for Acceptance;
- (b) subject to Clause 5.2, any entitlements of the Excluded Shareholders provisionally allotted to a nominee of the Company which are left unsold;
- (c) any of the Rights Shares created from the aggregation of fractions of the Right Shares; and
- (d) the Scale-down PAL Shares (if any) and the Scale-down EAF Shares (if any).

In any event, fractions of the Rights Shares will not be provisionally allotted to any of

- the Qualifying Shareholders, and fractional entitlements will be rounded down to the nearest whole number of Rights Shares. Any Rights Shares created from the aggregation of fractions of the Rights Shares will be made available for excess application by the Qualifying Shareholders accordingly. Should there be no excess application by the Qualifying Shareholders, those Rights Shares created from the aggregation of fraction of the Rights Shares may or may not be taken up by the Joint Placing Agent.
- 4.6 The Company will arrange for the Rights Shares which would be provisionally allotted to the Excluded Shareholders be sold in the market as soon as practicable after the commencement of dealings on the Stock Exchange in Rights Shares in nil-paid form and in any event before the last day for dealing in the nil-paid Rights Shares if a premium (net of expense) can be obtained therefor. In the event that and to the extent that such Nil Paid Rights can be sold, the Company will then distribute such proceeds in HKD (after deducting the expenses of sale (if any)) to the Excluded Shareholders pro rata (but rounded down to the nearest cent) to their shareholdings on the Record Date, except that individual amount of HK\$100 or less shall not be so distributed but shall be retained for the benefit of the Company.
- 4.7 The Rights Shares, when allotted, issued and fully paid, shall rank *pari passu* in all respects with the Shares then in issue, including the right to receive all dividends and distributions which may be declared, made or paid with a record date which falls on or after the date of allotment of the Right Shares in their fully-paid form.
- 4.8 Pursuant to this Agreement and the Appointment but subject to the Maximum Undertakings, as the Rights Issue is only underwritten by the Joint Placing Agent on a best effort basis, and so as to avoid the unwitting triggering of MGO Obligations and/or any non-compliance with Public Float Requirements, all applications for Rights Shares whether under the PAL(s) or the EAF(s), or by transferees of Nil Paid Rights, or by subscribers procured by the Joint Placing Agent will be made on the basis that the applications are to be scaled-down by the Company to a level which (a) does not trigger an MGO Obligation on the part of the applicant or parties acting in concert with him/her/it, and/or (b) does not result in the non-compliance of the Public Float Requirement on the part of the Company. Any subscription monies for the Scale-down PAL Shares or the Scale-down EAF Shares will be refunded to the applicants, and the Scale-down PAL Shares and the Scale-down EAF Shares will be made available for subscription by other Qualifying Shareholders through EAF(s).
- 4.9 In addition, under and/or pursuant to the Scaling-down, any application for Rights Shares, whether under PAL(s) or EAF(s), shall be subject to the scale-down mechanisms of the Rights Issue as determined by the Company to levels which do not trigger any MGO Obligation or non-compliance of Public Float Requirement. Such scale-down of applications of Rights Shares shall operate on a fair and equitable basis under the following principles: (a) EAF(s) should be scaled down before PAL(s); and (b) where the scale-down is necessitated by the exceeding of shareholding by a group rather than an individual Shareholder, the allocations of EAF(s) and PAL(s) to members of the affected group should be made on a pro rata basis by reference to the number of Shares held by the affected applicants on the Record Date, but for avoidance of any doubt, any or any such onward allocation(s) shall be subject to the Scaling-Down as well.
