- ii. All payments shall be made in the currency or currencies in which the relevant amounts advanced to the Borrower are denominated (the "**Appropriate Currency**"), unless otherwise previously agreed by the Lender in writing. If, for any reason, the Lender receives an amount in any other currency then such payment shall take effect as a payment to the Lender of the amount in the Appropriate Currency which the Lender is able to purchase (after deduction of any relevant costs) with the amount of the payment so received in accordance with the Lender's usual practice and the Borrower shall indemnify the Lender against any shortfall on demand in writing. Until such shortfall is repaid to the Lender, such shortfall shall form part of the sums owed hereunder to the Lender and bear interest accordingly. Any shortfall not paid on demand shall bear default interest in accordance with Clause 8 of this Facility Agreement.

- iii. All payments by the Borrower shall be made by bank transfer or delivery to the Lender a cashier order or cheque payable to the Lender or to its order and drawn on a licensed bank in Hong Kong and shall be received by the Lender and with sufficient proof of good fund not later than 3:00 p.m. (Hong Kong time) on the due date or the relevant date of prepayment.

- iv. If the Lender assigns all or any part of its rights or benefits or transfers all or any part of its obligations as provided in Clause 12(iii) hereof all relevant references in the Facility to the Lender shall thereafter be construed as a reference to the Lender and/or the Assignee(s) to the extent of their respective interests and, in the case of a transfer of all or part of the Lender's obligations, the Borrower shall thereafter look only to each Assignee in respect of that proportion of the Lender's obligations as corresponds to the obligations transferred to and assumed by such Assignee.
