4.3.1 How does the SFC evaluate valid proposals that it receives?

There are two parts to the SFC's evaluation process: evaluation of the Technical Part and evaluation of the Price Schedule (in that order). The Price Schedule will only be considered **after** the SFC has evaluated the Technical Part. The SFC will **not** make any selection based solely on price.

4.3.2 Evaluation of the Technical Part

The SFC will generally evaluate the technical aspects of each proposal according to the following criteria:

(a)	Compliance to the Proposed Scope of Works and Services
(b)	Compliance to the Specification
(c)	Project Team Structure
(d)	Relevant Job Experience
(e)	Warranty and After Sales Services

The above criteria are for reference only, which provide Tenderers an indicative guideline of their relative significance. SFC reserves the right to change the criteria and/or the weighting of any item without further notifying the Tenderers.

4.4 Notification of Results and Rejection of Tenders

The SFC will notify all Tenderers by post and/or e-mail within 21 days of finalizing its selection as to whether or not they have been selected by the SFC. The SFC retains the right to reject any or all tenders(s) submitted.

No Tender (or part thereof) shall be taken to have been accepted unless and until execution of the Contract.

5.2 Termination of service

The successful Tenderer shall use its best endeavors to perform the Contract with such due care and skill as is expected of a provider of similar services and products and of a comparable standing in the industry but if for whatever reason, the SFC in its opinion, concludes that the successful Tenderer is in breach of the Contract or does not provide the level of service required by the SFC, the SFC shall have the right to terminate the Contract by notice in writing to the successful Tenderer.

5.3 Conflicts of interest

A Tenderer must declare that they have no interest which conflicts, or has the potential to conflict, with its duties to the SFC under the proposal. If a Tenderer has any interest which conflicts, or has the potential to conflict, with its duties to the SFC under the proposal, the Tenderer should clearly state this in the declaration form (refer to Annex C). This requirement extends to the Tenderer's associates, associated persons, group companies and each member of the Tenderer's professional staff (and their associates and associated persons).

5.4 The incorporation of proposals into Contract signed with the SFC

Any proposals and responses to the SFC's inquiries submitted by the successful Tenderer may form part of the Contract made between the SFC and such Tenderer. Every representation by the successful Tenderer (whether of fact or performance, and whether set out in the proposal or otherwise) will be incorporated as warranties in any Contract between the SFC and such Tenderer. Therefore, any statement of fact or performance that the Tenderer does not wish to be treated as a warranty should be clearly indicated. If the Tenderer intends to limit liability for damages arising from either professional negligence or non-performance under the terms of the Contract please specify what restrictions on liability are proposed. The SFC would normally expect liability limits for construction contracts to be expressed as a multiple of the contract price.

5.5 Anti-collusion

The Tenderer shall not communicate to any person other than the SFC the amount of any tender, adjust the amount of any tender by arrangement with any other person, make any arrangement with any other person about whether or not he or that other person should or should not tender, or otherwise collude with any other person in any manner whatsoever in the tendering process until the tenderer is notified by the SFC of the outcome of the tender exercise. Any breach of or non-compliance with this by the tenderer shall, without affecting the tenderer's liability for such breach or non-compliance, invalidate his tender. The tenderer shall submit to the SFC a duly signed letter in the form set out in Annex D. The letter shall be signed by a person authorised to sign the contract on the tenderer's behalf.

This shall have no application to the tenderer's communications in strict confidence with his own insurers or brokers to obtain an insurance quotation for computation of tender price and communications in strict confidence with his consultants / sub-contractors to solicit their assistance in preparation of tender submission.

5.6 Confidentiality

The Tenderer should treat all information contained in this document, all information previously provided, and any subsequent communications with the SFC, as confidential. This information should only be used by the Tenderers to prepare responses to the tender. Information must not be released to external parties without the express written consent of the SFC.

All responses and other materials submitted in response to this document will become the property of the SFC. The SFC assumes no obligation and shall incur no liability regarding confidentiality of all or any portion of a response or any other material submitted in response to this document unless expressly agreed in writing to protect specifically identified information.

The SFC is a statutory body responsible for regulating the securities and futures and leveraged foreign exchange markets in Hong Kong. In carrying out its functions, the SFC receives confidential and potentially valuable information. The successful Tenderer is required to sign a Confidentiality Acknowledgement (Annex E) and be compiled with the provisions of sections 378 and 379 of the Securities and Futures Ordinance.

5.7 Prevention of Bribery

A Tenderer shall prohibit its directors, employees, agents, and sub-contractors who are involved in this tender from offering, soliciting or accepting any advantage as defined in the Prevention of Bribery Ordinance, Cap 201 when conducting business in connection with this mandate. The Tenderer shall take all necessary measures (including by way of a code of conduct or contractual provisions where appropriate) to ensure that its directors, employees, agents and sub-contractors are aware of the prohibitions in this clause.

5.8 SFC Specified Contract

The successful Tenderer is expected to enter into a Contract with the SFC. Any waiver, cancellation, alteration or amendment of or to any of the terms and conditions of the Contract must be agreed to by both parties and effected in writing by the successful Tenderer and the SFC.

The SFC, as a public body, has a duty to conduct its affairs in a responsible and transparent manner and has put in place Public Interest Grievance Procedures. The policy on Public Interest Grievances is intended to assist persons who are engaged by or to work in/with the SFC who believe that they have discovered improper practices or misconduct relating to the running of the SFC or work related activities of employees of the SFC to report these in a constructive manner.
