

Stakeholders

By engaging with stakeholders, we help them understand our work and provide them with up-to-date regulatory information.

During the quarter, we supported three industry events and our senior executives spoke at 28 local and international conferences. In June, we hosted the SFC Compliance Forum 2019, attended by more than 700 participants, to exchange views with the industry. We also met with various industry associations to understand their views on regulatory issues.

We released the following publications in the quarter:

- The May issue of the *SFC Compliance Bulletin: Intermediaries* provided an update on our revamped licensing processes and highlighted the need to track the movement of “bad apples” who can potentially repeat their misbehaviour at another firm.
- The *Takeovers Bulletin*, issued in June, reminded listed companies to submit transaction-related announcements for approval.
- Our *Annual Report 2018-19*, released in June, summarised the SFC’s work during the year and our strategic priorities.

We issued 26 circulars informing industry participants about a wide range of matters, including the conduct and internal controls expected of licensed brokers providing client facilitation services, credit rating model risk management and disclosure requirements for green funds.
