

GUIDANCE ON REIT AUTHORISATION PROCESS AND DOCUMENTARY REQUIREMENTS

This document sets out the procedure and requirements for applications for the authorisation of real estate investment trusts (“REITs”) under the Code on Real Estate Investment Trusts (the “Code”).

Authorisation Process

1. A new applicant must apply for a listing on the Application Form for Real Estate Investment Trusts.
2. The applicant should ensure that the information in the draft offering circular (“Application Proof”) that is submitted to the Commission together with the Application Form and other application documents for the authorization of the scheme for the purpose of listing are substantially complete (except in relation to information that by its nature can only be finalized and incorporated at a later date). If the Commission decides the information is not substantially complete, the Commission will not continue its review and return all documents to the applicant except for the retention of a copy of these documents for record. An 8-week moratorium (“Moratorium”) will be imposed whereby the applicant can only submit the new Application Form and Application Proof not less than 8 weeks after the date of return letter.
3. The Commission will normally issue a letter (“Take-up Letter”) confirming that the application has been taken up within two business days of the receipt of the application and the prescribed application fee.¹
4. The first requisition letter in respect of the application will be issued within 14 business days of the date of the Take-up Letter.
5. The actual time required for processing an application largely depends on the level of compliance of the applicant scheme with the Code, the complexity of the scheme, and the quality of the application materials.
6. Management Company and listing agent(s) should refer to the Frequently Asked Questions relating to Real Estate Investment Trusts for ancillary guidance.
