The provisions are also not expected to have the effect of making ineffective a demand for a poll at a general meeting made (i) by at least 5 shareholders having the right to vote at the meeting; or (ii) by a shareholder or shareholders representing at least 5% of the total voting rights of all the shareholders having the right to vote at the meeting; or (iii) by the chairperson of the meeting (save for a question in respect of chairperson-election of the meeting and meeting-adjournment).
