What are the key risks?

Investment involves risks. Please refer to the offering document for details including the risk factors.

[●]

[Note: If the fund invests in financial derivative instruments, please include the risks involved]

How has the fund performed?

- Past performance information is not indicative of future performance. Investors may not get back the full amount invested.
- The computation basis of the performance is based on the calendar year end, NAV-To-NAV, with dividend reinvested.
- These figures show by how much the fund increased or decreased in value during the calendar year being shown. Performance data has been calculated in [USD] including ongoing charges and excluding your trading costs on SEHK.
- Where no past performance is shown there was insufficient data available in that year to provide performance. [*This note is not required if performance data is available in all the relevant years.*]
- Fund launch date: 2006

[Note1: A bar showing the performance of the underlying index / benchmark for the period shall be included in the chart alongside each bar showing the fund's past performance.]

Note2: Where the fund tracks a price return index / benchmark, performance of total return index / benchmark (where it is available) should be shown in addition to the performance of the price return index / benchmark when presenting the fund's past performance.

Note3: Where there is material change(s), the period prior to such material change(s) shall continue to be shown and be indicated on the chart and labeled with a clear and prominent warning that the performance was achieved under circumstances that no longer apply with notes briefly explaining the nature of the material change(s).]

Is there any guarantee?

The ETF does not have any guarantees. You may not get back the amount of money you invest.

What are the fees and charges? *[Note: in the case of an umbrella fund, if the umbrella fund has already produced a schedule in a separate document setting out the fees and charges for all sub-funds of the umbrella fund which will be distributed with this statement, the following information is not necessary. If this is the case, please insert a statement to the effect that investors should read the separate fees schedule for details.]*

Guidance for preparing this statement

1. If you want to include a responsibility statement in this statement, please make sure that such statement is consistent with the responsibility statement in other parts of the offering document.
2. Where a scheme is described as having been authorized by the SFC, please include a SFC non-endorsement statement in this statement pursuant to the requirements of the Code on Unit Trusts and Mutual Funds.
3. Disclosures shall be visually reader-friendly and written in plain language so that investors can easily read and understand them. Use of technical jargon or complex sentences shall be avoided.
4. Use of visual aids, graphs or charts is generally encouraged to illustrate the product structure and features.
Note: For example, structure charts and cashflow diagrams may be used to assist investors' understanding of the product structure.
5. Depending on the actual circumstances of the case, the contents in each statement may differ. Nevertheless, the headings set out in the template above are generally expected to be observed unless there are good reasons to do otherwise. Words inside the square brackets in the template are drafting notes. They should be construed as examples rather than suggestions, and are not meant to be exclusive or prescriptive. Issuers are responsible for what is and what is not to be included in the statement.
6. For details on the requirements for the ongoing charges figure, please refer to the section headed "Guidelines for the disclosure and calculation of the ongoing charges figure" in an SFC circular named "Disclosure of the ongoing charges figure and past performance information in the Product Key Facts Statements" revised on 16 December 2014.
7. For details on the requirements for the past performance information, please refer to the section headed "Guidelines for the disclosure and calculation of past performance information" in an SFC circular named "Disclosure of the ongoing charges figure and past performance information in the Product Key Facts Statements" revised on 16 December 2014.
8. For details on the requirements for tracking difference disclosure, please refer to the SFC circular named "Disclosure of Tracking Difference and Tracking Error" issued on 4 July 2014.
9. If website address is disclosed in the KFS, please include a statement that the website has not been reviewed by the SFC [and may contain information of funds not authorised by the SFC]. (Note: you are only expected to include the words in brackets if you are referring to an overseas website which may contain information of funds not authorised by the SFC.) However, this disclosure is not required if such statement is already disclosed in the offering document.
